

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brett Boehm
DOCKET NO.: 20-05734.001-R-1
PARCEL NO.: 16-25-308-053

The parties of record before the Property Tax Appeal Board are Brett Boehm, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$167,462
IMPR.: \$449,431
TOTAL: \$616,893

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 5,388 square feet of living area. The dwelling was constructed in 2015. The home features a basement, central air conditioning, two fireplaces and a 1,370 square foot garage. The property has an approximately 30,300 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of the overvaluation argument, the appellant submitted information on three comparable sales located within .48 of a mile from the subject. The comparables have sites ranging in size from 16,971 to 18,151 square feet of land area and are improved with 2-story dwellings that were built from 1999 to 2005. The dwellings range in size from 4,733 to 4,833 square feet of living area. The comparables each have basement, central air conditioning, one fireplace, and a garage ranging in size from

484 to 802 square feet of building area. The comparables sold from February 2018 to October 2019 for prices ranging from \$1,025,000 to \$1,300,000 or from \$216.24 to \$274.67 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$616,893. The subject's assessment reflects a market value of \$1,853,088 or \$343.93 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located .32 to 1.14 miles from the subject. Comparable #3 is the same as appellant's comparable #3. The comparables have sites ranging in size from 17,820 to 33,500 square feet of land area and are improved with 2-story or 3-story dwellings of wood siding, brick, or stone and stucco exterior construction ranging in size from 4,733 to 5,581 square feet of living area. The dwellings were built from 2001 to 2006. Comparable #1 has an effective year built of 2008. The comparables each have a basement with finished area, central air conditioning, one to three fireplaces, and a garage ranging in size from 631 to 805 square feet of building area. The comparables sold from May 2019 to October 2020 for prices ranging from \$1,300,000 to \$2,500,000 or from \$274.67 to \$485.81 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted six suggested comparable sales for the Board's consideration where one comparable was common to both parties. The Board gives less weight to appellant's comparable #2 which sold 22 months prior to the January 1, 2020 assessment date and was less likely to be reflective of market value.

The Board finds the best evidence of market value to be the parties' remaining comparables which sold proximate in time to the assessment date at issue and have varying degrees of similarity to the subject in location, age, dwelling size, and features. These comparables sold from May 2019 to October 2020 for prices ranging from \$1,025,000 to \$2,500,000 or from \$216.24 to \$485.81 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,853,088 or \$343.93 per square foot of living area, including land, which falls within the range established by the most recent comparable sales in this record. After considering adjustments to the most recent comparable sales for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
