

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Larry Metnick  
DOCKET NO.: 20-05743.001-R-1  
PARCEL NO.: 16-22-301-016

The parties of record before the Property Tax Appeal Board are Larry Metnick, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$47,849  
**IMPR.:** \$102,136  
**TOTAL:** \$149,985

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 2,389 square feet of living area.<sup>1</sup> The dwelling was constructed in 1978. Features of the home include a basement, central air conditioning, a fireplace and a 528 square foot garage. The property has an approximately 10,000 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .56 of a mile from the subject property. The comparables have sites that range in size from 7,985 to 12,689 square feet of land area. The comparables are improved with 2-story dwellings ranging in size from 2,100 to

2,791 square feet of living area. The dwellings were built from 1968 to 1978. Each comparable has a basement, central air conditioning and a garage ranging in size from 396 to 672 square feet of building area. Three comparables each have one fireplace. The comparables sold from July 2018 to July 2020 for prices ranging from \$400,000 to \$470,000 or from \$158.00 to \$190.48 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$132,178, which would reflect a market value of \$396,574 or \$166.00 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$149,985. The subject's assessment reflects a market value of \$450,541 or \$188.59 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .62 of a mile from the subject property. The comparables are improved with 1.5-story or 2-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 2,314 to 2,783 square feet of living area. The dwellings were built from 1955 to 1999 with comparable #1 having a reported effective age of 1985. One comparable has a finished lower level and four comparables each have a basement, one of which has finished area. Each comparable has central air conditioning and a garage ranging in size from 437 to 552 square feet of building area. Four comparables each have one fireplaces. The comparables sold from May 2019 to April 2020 for prices ranging from \$462,500 to \$797,000 or from \$190.39 to \$325.04 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #2 and #3 due to their sale dates occurring in 2018, less proximate in time to the lien date at issue than the other comparable sales in the record. The Board has given reduced weight to board of review comparable #1 as it appears to be outlier based on its significantly higher sale price of \$797,000 or \$325.04 per square foot of living area, including land, when compared to the other comparables sales in the record. The Board has also given less weight to board of review comparables #2 and #3 which differ from the subject in age or has a finished basement, unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #4, along with board of review's comparables #4 and #5, which sold proximate in time to the

assessment date at issue and are relatively similar to the subject in location, dwelling size, design, age and some features. The comparables sold from May 2019 to July 2020 for prices ranging from \$400,000 to \$515,000 or from \$158.00 to \$199.87 per square foot of living area, including land. The subject's assessment reflects a market value of \$450,541 or \$188.59 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
