

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roman Matz
DOCKET NO.: 20-05752.001-R-1
PARCEL NO.: 16-21-202-003

The parties of record before the Property Tax Appeal Board are Roman Matz, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$70,118
IMPR.: \$218,513
TOTAL: \$288,631

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 4,141 square feet of living area. The dwelling was constructed in 2017. Features of the home include a basement, central air conditioning, a fireplace, and an 825 square foot garage. The property has a 20,000 square foot site and is located in Highland Park, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales reported to be located from 0.29 of a mile to 1.10 miles from the subject. Two comparables have 13,922 or 15,860 square foot sites. The comparables are improved with 2-story homes ranging in size from 3,570 to 3,921 square feet of living area. The dwellings were built from 1950 to 1994 with the two oldest homes each having an effective age of 1990. Each home has a basement, central air conditioning, a fireplace,

and a garage ranging in size from 380 to 780 square feet of building area. The comparables sold from August 2018 to April 2020 for prices ranging from \$605,000 to \$775,000 or from \$169.47 to \$207.61 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$288,631. The subject's assessment reflects a market value of \$867,020 or \$209.37 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales, where comparable #2 is the same property as the appellant's comparable #3. The comparables are reported to be located from 0.32 of a mile to 1.37 miles from the subject. Three comparables have sites ranging in size from 12,680 to 20,440 square feet of land area. The comparables are improved with part 1-story and part 2-story or 2-story homes¹ ranging in size from 3,728 to 4,368 square feet of living area. The dwellings were built from 1994 to 2015. Each home has a basement, four of which have finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 463 to 778 square feet of building area. The comparables sold from August 2019 to December 2020 for prices ranging from \$875,000 to \$1,250,000 or from \$228.94 to \$322.65 per square foot of living area, including land. Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4 and the board of review's comparables #3, #4, and #5, which are located more than one mile from the subject.

The Board finds the best evidence of market value to be the appellant's comparable #1, the appellant's comparable #3/board of review's comparable #2, and the board of review's comparable #1, which are similar to the subject in dwelling size, location, and features, although these comparables are much older homes than the subject dwelling. These most similar comparables sold from April to December 2020 for prices ranging from \$605,000 to \$1,000,000

¹ Although the board of review reported comparable #1 is a 1-story home it also described 4,368 square feet of above ground living area and 2,817 square feet of ground floor living area, suggesting this comparable is a part 1-story part 2-story home.

or from \$169.47 to \$234.71 per square foot of living area, including land. The subject's assessment reflects a market value of \$867,020 or \$209.37 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
