

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Heather Lagattuta  
DOCKET NO.: 20-05754.001-R-1  
PARCEL NO.: 16-20-403-031

The parties of record before the Property Tax Appeal Board are Heather Lagattuta, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$61,719  
**IMPR.:** \$125,117  
**TOTAL:** \$186,836

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,058 square feet of living area. The dwelling was constructed in 1968. Features of the home include a basement, central air conditioning, a fireplace, and a 504 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within 0.28 of a mile from the subject. The parcels range in size from 12,001 to 20,090 square feet of land area and are improved with 2-story homes ranging in size from 2,714 to 3,506 square feet of living area. The dwellings were built from 1966 to 1970. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 440 to 528 square feet of building area. The comparables sold from April 2019 to July 2020 for prices ranging from \$465,000 to \$649,000 or

from \$160.48 to \$193.34 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$186,836. The subject's assessment reflects a market value of \$561,238 or \$183.53 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales where comparables #2 and #3 are the same properties as the appellant's comparables #6 and #4, respectively. Comparables #1 and #4 are located within 0.32 of a mile from the subject. Comparable #4 has a 20,600 square foot site. These comparables are improved with 2-story homes with 2,940 or 3,251 square feet of living area. The dwellings were built in 1964 and 1970 and each home features a basement, central air conditioning, a fireplace, and a 483 or 550 square foot garage. These comparables sold in November 2020 and January 2021 for prices of \$740,000 and \$645,000 or for \$227.62 and \$219.39 per square foot of living area, including land, respectively. Based on this evidence the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales, with two common sales, for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #5, the appellant's comparable #4/board of review's comparable #3, the appellant's comparable #6/board of review's comparable #2, which are less similar to the subject in dwelling size than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2 and the board of review's comparables #1 and #4, which are more similar to the subject in dwelling size, age, location, and features. These most similar comparables sold from February 2020 to January 2021 for prices ranging from \$480,000 to \$740,000 or from \$160.48 to \$227.62 per square foot of living area, including land. The subject's assessment reflects a market value of \$561,238 or \$183.53 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
