

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matt Gopin
DOCKET NO.: 20-05758.001-R-1
PARCEL NO.: 16-20-101-031

The parties of record before the Property Tax Appeal Board are Matt Gopin, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$156,121
IMPR.: \$583,894
TOTAL: \$740,015

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 7,150 square feet of living area. The dwelling was constructed in 2016. Features of the home include a basement, central air conditioning, three fireplaces,¹ and an 800 square foot garage. The property has a 99,317 square foot site and is located in Bannockburn, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located from 0.19 to 0.70 of a mile from the subject. The parcels range in size from 79,279 to 238,709 square feet of land area and

are improved with 2-story homes ranging in size from 6,052 to 8,462 square feet of living area. The dwellings were built from 2001 to 2005. The appellant reported comparable #1 was recently rehabbed. Each home has a basement, one of which has finished area,² central air conditioning, a fireplace, and a garage ranging in size from 884 to 1,439 square feet of building area. Comparable #4 has an inground swimming pool. The comparables sold from May to August 2019 for prices ranging from \$985,000 to \$2,800,000 or from \$150.15 to \$341.88 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$740,015. The subject's assessment reflects a market value of \$2,222,935 or \$310.90 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales where comparables #1, #2, and #3 are the same properties as the appellant's comparables #3, #4, and #2, respectively, which are described above. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of four comparable sales, with three common sales, for the Board's consideration, which are similar to the subject in location and some features, but have varying degrees of similarity to the subject in dwelling size, age, and site size. These comparables sold from May to August 2019 for prices ranging from \$985,000 to \$2,800,000 or from \$150.15 to \$341.88 per square foot of living area, including land. The subject's assessment reflects a market value of \$2,222,935 or \$310.90 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

² Additional details regarding comparables #2, #3, and #4, which are common to both parties, are found in the board of review's evidence

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
