

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sue Golan
DOCKET NO.: 20-05764.001-R-1
PARCEL NO.: 16-17-101-002

The parties of record before the Property Tax Appeal Board are Sue Golan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$175,171
IMPR.: \$82,740
TOTAL: \$257,911

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 3,179 square feet of living area. The dwelling was constructed in 1979. Features of the home include a basement, central air conditioning, two fireplaces, a 736 square foot garage, and a greenhouse. The property has a 60,113 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 0.52 to 0.67 of a mile from the subject. The comparables have 60,113 or 60,548 square foot sites improved with 2-story homes ranging in size from 2,957 to 3,520 square feet of living area. The dwellings were built from 1972 to 1975. Each home has a basement, central air conditioning, and a garage ranging in size from 594 to 1,116 square feet of building area. Two homes each have a fireplace.

The comparables sold in April and June 2020 for prices ranging from \$605,000 to \$842,500 or from \$197.52 to \$239.35 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$257,911. The subject's assessment reflects a market value of \$774,740 or \$243.71 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 1.55 to 3.20 miles from the subject. The parcels range in size from 30,490 to 71,000 square feet of land area and are improved with 1-story homes of brick, wood siding, brick and wood siding, or wood siding and stone exterior construction. The homes range in size from 2,992 to 3,440 square feet of living area and were built from 1950 to 1974 with comparable #5 having an effective age of 1977. Four homes each have a basement, two of which have finished area and one of which is a walkout basement, and one home has a concrete slab foundation. Each home has central air conditioning, one to three fireplace, and a garage ranging in size from 396 to 850 square feet of building area. The comparables sold from January 2019 to October 2020 for prices ranging from \$805,000 to \$1,125,000 or from \$238.37 to \$347.96 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables, which are 2-story homes compared to the subject 1-story home. The Board gives less weight to the board of review's comparable #4, which has a concrete slab foundation compared to the subject's basement foundation.

The Board finds the best evidence of market value to be the board of review's comparables #1, #2, #3, and #5, which are similar to the subject in dwelling size, design, foundation type, and some features, but have varying degrees of similarity to the subject in age/effective age, site size, location, and basement finish. These most similar comparables sold from January 2019 to October 2020 for prices ranging from \$805,000 to \$1,125,000 or from \$268.78 to \$347.96 per square foot of living area, including land. The subject's assessment reflects a market value of \$774,740 or \$243.71 per square foot of living area, including land, which is below the range established by the best comparable sales in this record.

Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
