

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jenny Calcara
DOCKET NO.: 20-05777.001-R-1
PARCEL NO.: 16-36-211-012

The parties of record before the Property Tax Appeal Board are Jenny Calcara, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$135,161
IMPR.: \$61,606
TOTAL: \$196,767

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 2,218 square feet of living area. The dwelling was constructed in 1925 and has an effective age of 1941. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 540 square foot garage. The property has a 19,984 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on two comparable sales¹ located within 0.82 of a mile from the subject. The comparables have 22,834 or 32,984 square foot sites improved with 2-story homes with 2,332 or 2,512 square feet of living area. The dwellings were built in 1910 or 1925. Each

¹ Comparable #2 is a duplicate of comparable #1. The comparables #1 and #3 are renumbered as comparables #1 and #2.

home has a basement, central air conditioning, a fireplace, and a 264 or 550 square foot garage. The comparables sold in February and March 2020 for prices of \$350,000 and \$425,000 or for \$150.09 and \$169.19 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$196,767. The subject's assessment reflects a market value of \$591,069 or \$266.49 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.37 of a mile from the subject. The parcels range in size from 9,370 to 18,480 square feet of land area and are improved with 2-story homes of brick, stucco, or brick and wood siding exterior construction ranging in size from 2,098 to 2,248 square feet of living area. The dwellings were built from 1927 to 1952 and have effective ages ranging from 1944 to 1974. Each home has a basement, three of which have finished area, one or two fireplaces, and a garage ranging in size from 441 to 648 square feet of building area. Three homes have central air conditioning. Comparable #3 has an inground swimming pool. The comparables sold from June 2019 to August 2020 for prices ranging from \$600,000 to \$690,000 or from \$266.90 to \$319.35 per square foot of living area, including land.

Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1 and the board of review's comparables #1 and #3, due to significant differences from the subject in age/effective age. Moreover, the board of review's comparable #3 has an inground swimming pool unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparable #2 and the board of review's comparables #2 and #4, which are more similar to the subject in dwelling size, age/effective age, location, and some features, although two of these comparables have much smaller lots than the subject suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold from October 2019 to July 2020 for prices ranging from \$425,000 to \$670,000 or from \$169.19 to \$319.35 per square foot of living area, including land. The subject's assessment reflects a market

value of \$591,069 or \$266.49 per square foot of living area, including land, which is within the range established by the best comparable sales in this record.

Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
