

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ivona Van Der Vant
DOCKET NO.: 20-05778.001-R-1
PARCEL NO.: 16-36-118-001

The parties of record before the Property Tax Appeal Board are Ivona Van Der Vant, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$52,881
IMPR.: \$103,102
TOTAL: \$155,983

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of stucco exterior construction with 2,175 square feet of living area. The dwelling was constructed in 1942 and has an effective age of 1964. Features of the home include a basement, central air conditioning, a fireplace, and a 400 square foot garage. The property has an approximately 5,127 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.20 of a mile from the subject. The parcels range in size from 5,153 to 7,797 square feet of land area and are improved with 2-story homes ranging in size from 2,002 to 2,565 square feet of living area. The dwellings were built from 1925 to 1951 and have effective ages ranging from 1937 to 1952. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 216 to 400

square feet of building area. The comparables sold from August 2019 to June 2020 for prices ranging from \$425,000 to \$599,000 or from \$190.25 to \$299.20 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$155,983. The subject's assessment reflects a market value of \$468,558 or \$215.43 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales where comparable #2 is the same property as the appellant's comparable #1. The comparables are located within 0.28 of a mile from the subject and have sites ranging in size from 5,150 to 5,200 square feet of land area. The comparables are improved with 2-story homes of brick, brick and wood siding, or stone and Dryvit exterior construction ranging in size from 2,002 to 2,366 square feet of living area. The dwellings were built from 1929 to 1962 and have effective ages ranging from 1938 to 1984. Each home has a basement, four of which have finished area, central air conditioning, and a fireplace. Four comparables each have a garage ranging in size from 306 to 440 square feet of building area. The comparables sold from January 2019 to July 2020 for prices ranging from \$505,000 to \$630,000 or from \$214.80 to \$299.20 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparable #2 and the board of review's comparables #1, #3, #4, and #5, due to substantial differences from the subject in dwelling size, basement finish, and/or garage amenity.

The Board finds the best evidence of market value to be the appellant's comparable #1/board of review's comparable #2 and the appellant's comparables #3 and #4, which are similar to the subject in dwelling size, location, site size, and features, although these comparables have varying degrees of similarity to the subject in age/effective age. These most similar comparables sold from August 2019 to June 2020 for prices ranging from \$425,000 to \$599,000 or from \$192.81 to \$299.20 per square foot of living area, including land. The subject's assessment reflects a market value of \$468,558 or \$215.43 per square foot of living area, including land,

which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, such as the subject's newer effective age when compared to the best comparables, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
