

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Val Beygel
DOCKET NO.: 20-05779.001-R-1
PARCEL NO.: 16-36-109-013

The parties of record before the Property Tax Appeal Board are Val Beygel, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,465
IMPR.: \$86,877
TOTAL: \$138,342

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 1,838 square feet of living area. The dwelling was constructed in 1963. Features of the home include a basement, central air conditioning, a fireplace, and a 440 square foot garage. The property has an approximately 6,525 square foot site¹ and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.25 of a mile from the subject. The parcels range in size from 5,153 to 5,258 square feet of land area and are improved with 2-story homes ranging in size from 1,628 to 2,054 square feet of living area. The dwellings were built from 1928 to 1951 and have effective ages ranging from 1934 to 1952. Each home

¹ Both the appellant's evidence and the subject's property record card describe 6,525 square feet of land area.

has a basement, central air conditioning, a fireplace, and a garage ranging in size from 216 to 380 square feet of building area. The comparables sold from August 2019 to June 2020 for prices ranging from \$305,000 to \$599,000 or from \$187.35 to \$299.20 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$138,342. The subject's assessment reflects a market value of \$415,566 or \$226.10 per square foot of living area, land included, when using the 2020 three year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.33 of a mile from the subject. The parcels range in size from 5,200 to 6,510 square feet of land area and are improved with 1.5-story or 2-story homes of brick and wood siding or stone and Dryvit exterior construction ranging in size from 1,858 to 2,016 square feet of living area. The dwellings were built from 1949 to 1960 and have effective ages ranging from 1956 to 1984. Each home has a basement with finished area, central air conditioning, and one or two fireplaces. Two comparables have a 273 or 306 square foot garage. The comparables sold from April 2019 to January 2020 for prices ranging from \$470,000 to \$540,000 or from \$246.91 to \$267.86 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2, due to substantial differences from the subject in age/effective age. The Board gives less weight to the board of review's comparable #3, which lacks a garage that is a feature of the subject.

The Board finds the best evidence of market value to be the appellant's comparable #3 and the board of review's comparables #1 and #2, which are more similar to the subject in dwelling size, age, location, lot size, and features, although two of these comparables have finished basement area unlike the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold from July 2019 to January 2020 for prices ranging from \$425,000 to \$540,000 or from \$206.91 to \$267.86 per square foot of living area, including land. The subject's assessment reflects a market value of \$415,566 or \$226.10 per square foot of living area, including land, which is below the range

established by the best comparable sales in terms of total market value and within the range on a price per square foot basis. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
