

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Blair, DG Enterprises LLC - WJoliet  
DOCKET NO.: 20-06339.001-R-1  
PARCEL NO.: 30-07-09-417-020-0000

The parties of record before the Property Tax Appeal Board are David Blair, DG Enterprises LLC - WJoliet, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Will** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,957  
**IMPR.:** \$47,043  
**TOTAL:** \$55,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story multi-family dwelling of vinyl siding exterior construction with 1,983 square feet of living area. The dwelling was constructed in 1900. Features of the home include a basement and central air conditioning. The property is located in Joliet, Joliet Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from .15 to .63 of a mile from the subject. The comparables are improved with 2-story multi-family dwellings ranging in size from 1,760 to 2,224 square feet of living area. The dwellings were built from 1870 to 1900. Each comparable has a basement, and two comparables have a 396 or 720 square foot garage. The comparables sold from January 2019 to December 2020 for prices ranging

from \$120,500 to \$165,000 or from \$67.71 to \$85.47 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$62,740. The subject's assessment reflects a market value of \$188,013 or \$94.81 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Will County of 33.37% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .08 to .57 of a mile from the subject. The comparables are improved with 1.5-story or 2-story, single-family or multi-family dwellings ranging in size from 1,461 to 1,584 square feet of living area. The dwellings were built from 1885 to 1937. Each comparable has a basement, three comparables have central air conditioning, one comparable has a fireplace, and two comparables have a 200 or 360 square foot garage. The comparables sold from April 2017 to April 2020 for prices ranging from \$137,500 to \$175,000 or from \$94.11 to \$115.74 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

The appellant submitted rebuttal critiquing the board of review's submission and argued the appellants' comparables #1, #2, #4 and #5 are the best comparables. These best comparables support a request to lower the subject's market value to \$143,510 or \$72.37 per square foot of living area, including land, based on the best comparables' median sale prices.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of nine comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables due to their single-family dwelling use and/or their considerably smaller dwelling size, when compared to the subject. In addition, the board of review's comparable #2 is a dissimilar 1.5-story dwelling and comparable #4 has a sale date occurring greater than 32 months prior to the January 1, 2020 assessment date at issue. The Board finds the appellant's comparables have varying degrees of similarity to the subject. However, each of the appellant's comparables lack central air conditioning, unlike the subject. The best comparables sold for prices ranging from \$120,500 to \$165,000 or from \$67.71 to \$85.47 per square foot of living area, including land. The subject's assessment reflects a market value of \$188,013 or \$94.81 per square foot of living area, including land, which falls above the market values of the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, such as their lack of central air conditioning, the Board finds the subject's estimated market value as reflected by its assessment is excessive and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
