

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jerry & Donna Ramusack
DOCKET NO.: 20-06342.001-R-1
PARCEL NO.: 21-14-01-202-006-1006

The parties of record before the Property Tax Appeal Board are Jerry & Donna Ramusack, the appellants, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,941
IMPR.: \$7,602
TOTAL: \$9,543

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story condominium unit in a three-story condominium building of frame construction that was built in 1972 and has a concrete slab foundation. The condominium unit contains 975 square feet of living area with a wall unit air conditioner. The property is located in Park Forest, Monee Township, Will County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales that are located .04 or .09 of a mile from the subject. The comparables are improved with condominium units with 975 or 989 square feet of living area. The dwellings were built in 1972 and have slab foundations. The comparables sold in March or July 2019 for prices ranging from \$21,000 to \$26,000 or from \$21.23 to \$26.67 per square foot of living area, including land.

Based on this evidence the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,543. The subject's assessment reflects a market value of \$28,598 or \$29.33 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Will County of 33.37% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located within the same neighborhood code as the subject. The board of review's comparable #2 is the same property as the appellant's comparable #3. The comparables have sites ranging in size from 3,907 to 4,156 square feet of land area that are improved with condominium units of frame construction with 975 or 989 square feet of living area. The dwellings were built in 1971 or 1972 and have slab foundations. The comparables sold from July 2019 or December 2020 for prices ranging from \$26,000 to \$59,683 or from \$26.67 to \$60.35 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

The appellants submitted rebuttal critiquing the board of review's submission and argued the board of review's comparables were not arm's length sales, as they were part of a 120-unit condo de-conversion. The appellants' comparables support a request to lower the subject's market value to \$21,689 or \$22.24 per square foot of living area, including land, based on the comparables' median sale prices.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration, one of which was submitted by both parties. The Board finds the parties' comparables have varying degrees of similarity to the subject. The comparables sold in March 2019 to December 2020 for prices ranging from \$21,000 to \$62,499 or from \$21.23 to \$64.10 per square foot of living area, including land. The subject's assessment reflects a market value of \$28,598 or \$29.33 per square foot of living area, including land, which falls within the range established by the comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. The Board gives less weight to the appellants' argument that the board of review's comparables were not arm's length sales, as they were part of a 120-unit condo de-conversion. The Board finds the appellants comparables were also part of the 120-unit condo de-conversion. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
