

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christopher Currie  
DOCKET NO.: 20-06734.001-R-1  
PARCEL NO.: 19-30-303-009

The parties of record before the Property Tax Appeal Board are Christopher Currie, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$23,331  
**IMPR.:** \$113,021  
**TOTAL:** \$136,352

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame exterior construction with 3,684 square feet of living area. The dwelling was constructed in 2005. Features of the home include a walkout basement with finished area,<sup>1</sup> central air conditioning, a fireplace, and a 728 square foot garage. The property has a 14,324 square foot, or approximately 0.33 acre, site and is located in Algonquin, Algonquin Township, McHenry County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located in Algonquin, two of which are in the same subdivision as the subject. The comparables have 0.33 or 0.35 acre sites that are improved with 2-story homes of frame exterior construction ranging in size from 3,186 to 3,847

<sup>1</sup> Additional details regarding the subject not reported by the appellant are found in the board of review's evidence and were not refuted by the appellant in written rebuttal.

square feet of living area. The dwellings were built in 2001 or 2006. Each home has a basement, two of which have finished area, central air condition, a fireplace, and a garage ranging in size from 636 to 989 square feet of building area. The comparables sold from May 2019 to March 2020 for prices ranging from \$278,775 to \$362,500 or from \$72.47 to \$101.07 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$136,352. The subject's assessment reflects a market value of \$408,729 or \$110.95 per square foot of living area, land included, when using the 2020 three year average median level of assessment for McHenry County of 33.36% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.46 of a mile from the subject, three of which are located within the same subdivision as the subject. The parcels range in size from 14,008 to 19,164 square feet of land area and are improved with 2-story homes ranging in size from 3,388 to 3,823 square feet of living area. The dwellings were built from 2003 to 2006. Each home has a basement with finished area, two of which are walkout basements, central air conditioning, one or two fireplaces, and a garage ranging in size from 728 to 989 square feet of building area. The comparables sold from July 2019 to June 2020 for prices ranging from \$415,111 to \$467,500 or from \$112.68 to \$132.53 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3, due to substantial differences from the subject in dwelling size or basement finish.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review's comparables, which are similar to the subject in dwelling size, age, location, site size, and most features. These most similar comparables sold for prices ranging from \$362,500 to \$467,500 or from \$94.43 to \$132.53 per square foot of living area, including land. The subject's assessment reflects a market value of \$408,729 or \$110.95 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
