

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dave Fenelon
DOCKET NO.: 20-06827.001-R-1
PARCEL NO.: 21-24.0-198-006

The parties of record before the Property Tax Appeal Board are Dave Fenelon, the appellant, by attorney Bernard G. Segatto, of Barber Segatto Hoffee Wilke & Cate in Springfield; and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,696
IMPR.: \$153,304
TOTAL: \$190,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject matter of this appeal consists of a single-family residential dwelling located in Springfield, Sangamon County, Illinois.

Bernard G. Segatto appeared before the Property Tax Appeal Board on behalf of the appellant contending overvaluation as the basis of the appeal. In support of the overvaluation argument, the appellant submitted an appraisal to demonstrate the subject property was overvalued. Mr. Segatto called Paul Moriconi, a Certified Residential Appraiser, as a witness. Mr. Moriconi testified that he has been an appraiser for 26 years and that he performed interior and exterior inspections of the subject property and chose the comparables used in the appraisal. He developed the sales comparison approach to value in arriving at an opinion of value for the subject property of \$570,000 as of January 1, 2020.

The appellant also submitted the final decision issued by the board of review showing the subject property had a final assessment for the 2020 tax year of \$251,344. The subject's assessment reflects an estimated market value of \$758,660 when applying the Sangamon County three-year average median level of assessment of 33.13%.

Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the appraised value.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant in this appeal submitted an appraisal in support of the contention that the subject property was overvalued. The appraiser developed the sales comparison approach to value in arriving at an opinion of value for the subject property of \$570,000 as of January 1, 2020. The subject's assessment reflects an estimated market value of \$758,660, which is considerably more than the appraised value of the subject property as submitted by the appellant. The board of review did not timely submit any evidence in support of its assessment of the subject property or refute the evidence submitted by the appellant as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a). The Board has examined the information and finds that it supports a reduction in the assessed valuation of the subject property commensurate with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
