

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Keith Kula
DOCKET NO.: 20-06923.001-R-1
PARCEL NO.: 19-12-226-013

The parties of record before the Property Tax Appeal Board are Keith Kula, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,022
IMPR.: \$83,993
TOTAL: \$107,015

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,438 square feet of living area. The dwelling was constructed in 1992 and is approximately 28 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a garage containing 484 square feet of building area. The property has a 9,841 square foot site and is located in Cary, Algonquin Township, McHenry County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 965 feet of the subject and within the subject's subdivision. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 2,438 to 2,991 square feet of living area. The homes are 28 to 30 years old. Each dwelling has central air conditioning, a basement with finished area, and a garage ranging in size from 462 to 532 square feet of building area. Two comparables

each have a fireplace. The parcels range in size from 11,138 to 17,591 square feet of land area. The comparables sold from November 2018 to October 2019 for prices ranging from \$275,000 to \$317,500 or from \$105.04 to \$119.98 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$89,718, for an estimated market value of \$269,181 or \$110.41 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,015. The subject's assessment reflects a market value of \$320,788 or \$131.58 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for McHenry County of 33.36% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .45 of a mile of the subject and within the subject's subdivision. Comparables #1 and #2 are the same properties as appellant comparables #2 and #3, respectively. The comparables consist of two-story dwellings ranging in size from 2,284 to 2,991 square feet of living area. The dwellings were built in 1990 or 1991. Each dwelling has central air conditioning, a basement with finished area, and a garage ranging in size from 420 to 638 square feet of building area. Three comparables each have a fireplace. The parcels range in size from 10,610 to 12,364 square feet of land area. The comparables sold from January 2019 to April 2020 for prices ranging from \$275,000 to \$339,900 or from \$105.04 to \$137.92 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board, with two comparables being common to the parties. The Board gives less weight to the appellant's comparable #1 due to its remote sale date for valuation as of January 1, 2020. The Board also gives reduced weight to appellant comparable #2/board of review comparable #1 due to its larger dwelling in relation to the subject.

The Board finds the best evidence of market value to be appellant's comparable sale #3 and board of review comparable sales #2 through #5, which are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$275,000 to \$339,900 or from \$105.04 to \$137.92 per square foot of living area, including land. The subject's assessment reflects a market value of \$320,788 or \$131.58 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for

differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
