

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sharon Burgess
DOCKET NO.: 20-06932.001-R-1
PARCEL NO.: 04-06.0-301-006

The parties of record before the Property Tax Appeal Board are Sharon Burgess, the appellant; and the St. Clair County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **St. Clair** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,947
IMPR.: \$71,422
TOTAL: \$88,369

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the St. Clair County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story ranch style dwelling of brick and frame exterior construction with 1,997 square feet of living area. The dwelling was constructed in 2002. Features include central air conditioning, a fireplace and a 1,082-square foot garage. The subject property has a 43,369-square foot site. The subject property is located in O'Fallon Township, St. Clair County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted four assessment comparables to demonstrate the subject property was not uniformly assessed. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$88,369 and that the 2018 tax year was the beginning of the

quadrennial general assessment period. The board of review agreed to stipulate to the Property Tax Appeal Board's 2018 decision regarding the subject property in which the assessment was reduced to \$82,918 plus application of the 2019 and 2020 equalization factors of 1.0299 and 1.0348, respectively, which results in no change to the assessment.

The appellant was notified of this suggested assessment and given thirty (30) days to respond if the offer was not acceptable. The appellant did not respond by the established deadline.

Conclusion of Law

The Property Tax Appeal Board finds takes notice the subject property was the subject matter of an appeal before this Board a prior tax year under Docket Numbers 18-03537.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$82,918. The Property Tax Appeal Board finds St. Clair County's quadrennial general assessment period began in the 2018 tax year and continues through the 2021 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds this record disclosed the subject property is an owner-occupied residence and the 2018 through 2021 tax years are within the same general assessment period. The Board finds the record shows that 1.0299 and 1.0348 equalization factors were issued in O'Fallon Township for the 2019 and 2020 tax years, respectively. Additionally, the Board's 2018 decision has not been reversed or modified upon review and there is no evidence the subject property sold in an arm's-length transaction establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2018 decision results in an assessment of \$88,369. ($\$82,918 \times 1.0299 \times 1.0348 = \$88,369$). The subject's final 2020 assessment as established by the board of review was \$88,369. Considering the statutory mandates of section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Property Tax Appeal Board finds no change in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
