

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark & Deborah Lawrence
DOCKET NO.: 20-06993.001-R-1
PARCEL NO.: 04-29.0-211-001

The parties of record before the Property Tax Appeal Board are Mark & Deborah Lawrence, the appellants, and the St. Clair County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **St. Clair** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,554
IMPR.: \$75,217
TOTAL: \$93,771

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the St. Clair County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and brick exterior construction with 1,568 square feet of living area. The dwelling is 27 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 572 square foot garage. The property has a 15,210 square foot site and is located in O Fallon Township, St. Clair County.

The appellants contend assessment inequity as the basis of the appeal. In support of this argument the appellants submitted information on four equity comparables located approximately two blocks from the subject. The comparables are described as two-story dwellings of frame and brick exterior construction ranging in size from 1,236 to 1,512 square feet of living area. The dwellings are 25 to 27 years and have features with varying degrees of similarity to the subject. The comparables have improvement assessments ranging from \$60,279 to \$76,468 or from \$45.37 to \$52.05 per square foot of living area. The appellants submitted a copy of the final decision of the board of review disclosing the property has a total assessment of

\$99,149 and an improvement assessment of \$80,595 or \$51.40 per square foot of living area. Based on this evidence, the appellants requested a reduction in the subject's improvement assessment.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property. The board of review was found to be in default by letter dated December 16, 2021.

Conclusion of Law

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of assessment equity to be the appellants' comparables. The Board gives less weight to comparables #1 and #4 due to their smaller dwelling size when compared to the subject. The Board finds the best evidence of assessment equity to comparables #2 and #3. These comparables had improvement assessments of \$68,147 and \$76,468 or \$45.37 and \$50.57 per square foot of living area. The subject's improvement assessment of \$80,595 or \$51.40 per square foot of living area falls above the two best comparables in this record. The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the evidence submitted by the appellants and finds that a reduction in the assessed valuation of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
