

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard & Jeri Sharpee
DOCKET NO.: 20-07117.001-R-1
PARCEL NO.: 18-25-276-013

The parties of record before the Property Tax Appeal Board are Richard & Jeri Sharpee, the appellants, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,704
IMPR.: \$109,948
TOTAL: \$132,652

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 2,173 square feet of living area. The dwelling was constructed in 1991 and is approximately 29 years old. Features of the home include a walk out basement, central air conditioning, two fireplaces and a 529 square foot 2-car garage. The property has a 10,153 square foot site and is located in Lake in the Hills, Grafton Township, McHenry County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six comparable sales located in the same neighborhood as the subject and within 0.12 of a mile from the subject. The comparables are improved with dwellings ranging in size from 1,964 to 2,371 square feet of living area that were built from 1991 to 1999. Each comparable is reported to have a basement and a 2-car garage. Five comparables each have either one or two fireplaces. The comparables sold from April 2019 to November 2020 for prices ranging from \$257,500 to \$410,000 or from \$113.45 to \$172.92 per square foot of living area,

including land. Based on this evidence, the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$132,652. The subject's assessment reflects a market value of \$397,638 or \$182.99 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for McHenry County of 33.36% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales, with one comparable being common to both parties, located in the same neighborhood as the subject and within 0.10 of a mile from the subject. The comparables have sites ranging in size from 8,998 to 11,866 square feet of land area. The comparables are improved with 1-story dwellings of frame exterior construction ranging in size from 2,011 to 2,371 square feet of living area. The dwellings are 20 to 27 years old. Each comparable is reported to have a walk out basement, central air conditioning, two fireplaces and a garage ranging in size from 479 to 714 square feet of building area. The comparables sold from October 2019 to August 2020 for prices ranging from \$390,000 to \$425,000 or from \$172.92 to \$195.58 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration, with one comparable being common to both parties. The Board finds the comparables are relatively similar to the subject in design, age, dwelling size and some features. The comparables sold from April 2019 to November 2020 for prices ranging from \$257,500 to \$425,000 or from \$113.45 to \$195.58 per square foot of living area, including land. The subject's assessment reflects a market value of \$397,638 or \$182.99 per square foot of living area, including land, which falls within the range by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
