

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Thiel
DOCKET NO.: 20-07125.001-R-1
PARCEL NO.: 18-11-301-002

The parties of record before the Property Tax Appeal Board are William Thiel, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,972
IMPR.: \$121,270
TOTAL: \$135,242

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 3,030 square feet of living area. The dwelling was constructed in 1987 and is approximately 32 years old. Features of the home include a basement, central air conditioning, a fireplace and an 842 square foot 3-car garage. The property has a 27,693 square foot site and is located in Lakewood, Grafton Township, McHenry County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on eight comparable sales located in the same neighborhood as the subject and within 0.73 of a mile from the subject. The comparables are improved with dwellings ranging in size from 2,775 to 3,305 square feet of living area that were built from 1978 to 1992. Each comparable is reported to have a basement, one or three fireplaces and either a 2-car or 3-car garage. The comparables sold from April 2019 to June 2020 for prices ranging from \$235,000 to \$389,900 or from \$80.74 to \$119.17 per square foot of living area, including land. Based on this evidence, the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$135,242. The subject's assessment reflects a market value of \$405,402 or \$133.80 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for McHenry County of 33.36% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located in the same neighborhood as the subject and within 0.60 of a mile from the subject. Comparable #1 is the same as appellant's comparable #7. The comparables have sites ranging in size from 30,388 to 76,384 square feet of land area. The comparables are improved with 2-story dwellings of brick or frame exterior construction ranging in size from 2,921 to 4,130 square feet of living area. The dwellings range in age from 9 to 15 years old. Each comparable is reported to have a basement, one of walk out design, central air conditioning, one to three fireplaces and a garage ranging in size from 665 to 870 square feet of building area. The comparables sold from June 2019 to July 2020 for prices ranging from \$350,000 to \$425,000 or from \$84.75 to \$145.50 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eleven suggested comparable sales for the Board's consideration, with one comparable being common to both parties. The Board has given less weight to board of review comparable #3 due to its dissimilar dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the parties remaining comparables. The Board finds these comparables are relatively similar to the subject in location, design, age, dwelling size and some features. The comparables sold from April 2019 to July 2020 for prices ranging from \$235,000 to \$425,000 or from \$80.74 to \$145.50 per square foot of living area, including land. The subject's assessment reflects a market value of \$405,402 or \$133.80 per square foot of living area, including land, which falls within the range by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
