

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sandy Sajdak
DOCKET NO.: 20-08013.001-R-1
PARCEL NO.: 06-18-416-027

The parties of record before the Property Tax Appeal Board are Sandy Sajdak, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,720
IMPR.: \$67,430
TOTAL: \$90,150

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of aluminum/vinyl siding exterior construction with 1,736 square feet of living area. The dwelling was constructed in 1955. Features of the home include a basement, central air conditioning,¹ and a 484 square foot garage. The property has an 11,445 square foot site and is located in Lombard, York Township, DuPage County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on October 3, 2018 for a price of \$269,900. The appellant completed Section IV – Recent Sale Data of the appeal petition disclosing the property was sold through a realtor, the property was advertised through the

Multiple Listing Service for 13 days, and the sale was not between related parties, due to foreclosure, or by contract for deed. In support of the transaction the appellant submitted copies of a settlement statement, indicating a purchase price of \$269,900 and payment of realtors' commissions, and a Warranty Deed. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$94,620. The subject's assessment reflects a market value of \$283,293 or \$163.19 per square foot of living area, land included, when using the 2020 three year average median level of assessment for DuPage County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a brief contending the subject's assessment was lowered to reflect the purchase price for the 2018 tax year and the subject's assessment has increased only by the equalization factors for subsequent tax years. Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the purchase of the subject property in October 2018 for a price of \$269,900. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a realtor, the property had been advertised on the open market with the Multiple Listing Service and it had been on the market for 13 days. In further support of the transaction the appellant submitted a copy of the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$269,900 as of January 1, 2020 and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
