

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anastasia Kastrantas
DOCKET NO.: 20-08029.001-R-1
PARCEL NO.: 03-20-100-029

The parties of record before the Property Tax Appeal Board are Anastasia Kastrantas, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,740
IMPR.: \$78,680
TOTAL: \$118,420

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of brick and frame exterior construction with 1,691 square feet of living area. The dwelling was constructed in 1981. Features of the home include a finished lower level, central air conditioning, a fireplace and a 495 square foot garage. The property has an approximately 8,742 square foot site and is located in Addison, Addison Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales. The comparables have sites that range in size from 6,174 to 8,400 square feet of land area. The comparables are improved with split-level dwellings of brick or brick and frame exterior construction ranging in size from 1,577 to 1,977 square feet of living area that were built from 1972 to 1984. Each comparable is reported to have a lower level with finished area, central air conditioning and a garage ranging in size from 420 to 537 square feet of building area. Two comparables each have one fireplace. The comparables sold from May 2017 to November 2019 for prices ranging from \$280,000 to

\$360,000 or from \$177.55 to \$204.08 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$118,420. The subject's assessment reflects a market value of \$354,551 or \$209.67 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for DuPage County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on seven comparable sales, together with a map depicting the locations of the comparables in relation to the subject. The comparables have sites ranging from 5,980 to 7,820 square feet of land area. The comparables are improved with split-level dwellings of brick and frame exterior construction ranging in size from 1,552 to 1,790 square feet of living area. The dwellings were built from 1979 to 1984. Each comparables has a finished lower-level, central air conditioning, one fireplace and a garage ranging in size from 441 to 472 square feet of building area. The comparables sold from December 2017 to July 2019 for prices ranging from \$335,000 to \$372,500 or from \$193.30 to \$215.85 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #2 along with the board of review's comparable #4 due to their sales dates occurring in 2017 or 2018, which sold less proximate in time to the January 1, 2020, assessment date given other sales available in the record.

The Board finds the best evidence of market value to be the appellant's comparable #4 along with the board of review's comparables #1, #2, and #3. The Board finds these comparables sold proximate in time to the assessment date at issue and are similar to the subject in design, age, dwelling size and features. The comparables sold from April to October 2019 for prices ranging from \$335,000 to \$372,500 or from \$182.09 to \$215.85 per square foot of living area, including land. The subject's assessment reflects a market value of \$354,551 or \$209.67 per square foot of living area, including land, falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
