

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Connie Borchardt  
DOCKET NO.: 20-08066.001-R-1  
PARCEL NO.: 09-33-406-039

The parties of record before the Property Tax Appeal Board are Connie Borchardt, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$26,320  
**IMPR.:** \$90,287  
**TOTAL:** \$116,607

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a townhome constructed in 1989 with 1,877 square feet of living area. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a two-car garage. The property has a 2,228 square foot site and is located in Darien, Downers Grove Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within .12 of a mile of the subject and within the same assessment neighborhood as the subject. The comparables consist of dwellings ranging in size from 1,677 to 1,877 square feet of living area. The homes were built from 1989 to 1994. Each dwelling has central air conditioning, a fireplace, and a two-car garage. The parcels range in size from 1,790 to 2,228 square feet of land area. The comparables sold from January 2019 to July 2020 for prices ranging from \$281,000 to \$333,500 or from \$155.72

to \$177.68 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$102,683, for an estimated market value of \$308,080 or \$164.13 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$118,240. The subject's assessment reflects a market value of \$354,012 or \$188.61 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for DuPage County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .12 of a mile of the subject and within the subject's assessment neighborhood.<sup>1</sup> The comparables consist of dwellings containing either 1,843 or 1,877 square feet of living area. The dwellings were built from 1989 to 1995. Each dwelling has central air conditioning, a fireplace, and a two-car garage. Two comparables each have a basement with finished area. The parcels range in size from 1,790 to 2,418 square feet of land area. The comparables sold from March 2018 to September 2020 for prices ranging from \$333,000 to \$375,000 or from \$180.68 to \$203.47 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that board of review comparables #1 and #2 are dated sales and that the remaining board of review comparables support a reduction in the assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of four comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the board of review's comparables #2 and #3 due to their remote sale dates for valuation as of January 1, 2020.

The Board finds the best evidence of market value to be the appellant's comparable sales and board of review comparable sales #3, #4, and #5, which are similar to the subject in age, location, dwelling size, and most features. These most similar comparables sold for prices ranging from \$281,000 to \$340,000 or from \$155.72 to \$181.77 per square foot of living area, including land. The subject's assessment reflects a market value of \$354,012 or \$188.61 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the

best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
