

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles Busch
DOCKET NO.: 20-08073.001-R-1
PARCEL NO.: 08-11-305-023

The parties of record before the Property Tax Appeal Board are Charles Busch, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,110
IMPR.: \$129,780
TOTAL: \$175,890

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and brick exterior construction with 3,084 square feet of living area. The dwelling was constructed in 2005. Features of the home include a basement, central air conditioning, a fireplace and a 483 square foot garage. The property has an 11,381 square foot site and is located in Lisle, Lisle Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .91 of a mile from the subject, none of which have the same assessment neighborhood code as the subject. These comparables are described as 2-story dwellings built from 1989 to 2005 and range in size from 2,860 to 3,272 square feet of living area. Each comparable has a basement and a garage ranging in size from 483 to 736 square feet of building area. The comparables sold from April 2019 to September 2020 for prices ranging from \$420,000 to \$525,000 or from \$137.53 to \$167.30 per

square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$175,890. The subject's assessment reflects a market value of \$526,617 or \$170.76 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for DuPage County of 33.40% as determined by the Illinois Department of Revenue.

In response to the appellant's evidence, the board of review submitted a grid analysis of the appellant's comparable sales disclosing they each have a frame, brick, or frame and brick exterior, a site ranging in size from 10,107 to 48,779 square feet of land area, central air conditioning and a fireplace, all of which were not disclosed by the appellant.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from .25 of a mile to 1.19 miles from the subject, none of which have the same assessment neighborhood code as the subject. The comparables are described as 2-story dwellings of frame or frame and brick exterior construction built from 2001 to 2017 on sites ranging in size from 10,608 to 20,147 square feet of land area. The dwellings range in size from 2,801 to 3,306 square feet of living area. The comparables have basements, two of which have finished area. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 640 to 1,751 square feet of building area. These comparables sold from March to December 2019 for prices ranging from \$477,500 to \$705,000 or from \$170.47 to \$213.25 per square foot of living area, land included. The board of review also provided a location map of both parties' comparable sales in relation to the subject property. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, counsel for the appellant contended that the board of review comparables are not comparable due to differences in baths, garages and/or location being over 1 mile away when compared to the subject. In a rebuttal grid analysis, counsel suggested that the appellant's comparables #1, #2 and #3 are the best comparable sales in the record and contended the subject's assessment should be reduced.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted eight comparables sales to support their respective positions, none of which are truly similar to the subject due to differences in location, site size, age and/or features. Nevertheless, these comparables sold from March 2019 to September 2020 for prices ranging from \$420,000 to \$705,000 or from \$137.53 to \$213.25 per square foot of living area, including land. The subject's assessment reflects a market value of \$526,617 or

\$170.76 per square foot of living area, including land, which falls within the range established by the comparables sales in this record. Therefore, after considering adjustments to the comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
