

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Douglas D. Carmichael  
DOCKET NO.: 20-08080.001-R-1  
PARCEL NO.: 09-15-107-013

The parties of record before the Property Tax Appeal Board are Douglas D. Carmichael, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$49,180  
**IMPR.:** \$197,460  
**TOTAL:** \$246,640

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 3,635 square feet of living area.<sup>1</sup> The dwelling was constructed in 1998. Features of the home include a basement with finished area, a fireplace, and a garage containing 826 square feet of building area. The property has a 11,280 square foot site and is located in Westmont, Downers Grove Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within .9 of a mile of the subject, five of which are in the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame or brick exterior construction ranging in size from 3,351 to 3,686

square feet of living area.<sup>2</sup> The homes were built from 1993 to 2000. Each dwelling has a fireplace, an unfinished basement, and a garage ranging in size from 612 to 1,135 square feet of building area. Five comparables have central air conditioning. The parcels range in size from 8,798 to 13,528 square feet of land area. The comparables sold from March 2019 to November 2020 for prices ranging from \$523,000 to \$640,000 or from \$147.82 to \$188.88 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$206,319, for an estimated market value of \$619,019 or \$170.29 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$246,640. The subject's assessment reflects a market value of \$738,443 or \$203.15 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for DuPage County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales located within .47 of a mile of the subject, four of which are in the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick or frame exterior construction ranging in size from 3,160 to 3,918 square feet of living area. The dwellings were built from 1988 to 2005. Each dwelling has central air conditioning, a fireplace, a basement with two having finished area, and a garage ranging in size from 570 to 864 square feet of building area. The parcels range in size from 8,826 to 34,683 square feet of land area. The comparables sold from November 2018 to October 2020 for prices ranging from \$650,000 to \$1,000,000 or from \$205.70 to \$255.23 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that the board of review's comparables should be given less weight due to their smaller dwellings and/or remote sale date.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 12 comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the board of review's comparables #4 and #5 due to differences in age and/or parcel size when compared to the subject. The Board also gives reduced weight to board of review comparable #1 due to its remote sale date for valuation as of January 1, 2020.

<sup>2</sup> Details not reported by the appellant were drawn from the property record cards submitted by the board of review.

The Board finds the best evidence of market value to be the appellant's comparable sales and board of review comparable sales #2, #3, and #6, which are similar to the subject in age, location, dwelling size, and some features. These most similar comparables sold from March 2019 to November 2020 for prices ranging from \$523,000 to \$740,000 or from \$147.82 to \$221.96 per square foot of living area, including land. The subject's assessment reflects a market value of \$738,443 or \$203.15 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
