

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Suresh Malisetty
DOCKET NO.: 20-08101.001-R-1
PARCEL NO.: 09-15-224-005

The parties of record before the Property Tax Appeal Board are Suresh Malisetty, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,290
IMPR.: \$215,550
TOTAL: \$253,840

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and brick exterior construction with 3,429 square feet of living area.¹ The dwelling was constructed in 2003. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a garage containing 705 square feet of building area. The property has an 8,580 square foot site and is located in Westmont, Downers Grove Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within .52 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick or frame exterior construction ranging in size from 3,164 to 3,837 square feet

of living area.² The homes were built from 2000 to 2004. Each dwelling has central air conditioning, a fireplace, a basement with two having finished area, and a garage ranging in size from 572 to 705 square feet of building area. The parcels range in size from 8,082 to 12,017 square feet of land area. The comparables sold from April 2019 to October 2020 for prices ranging from \$565,000 to \$705,000 or from \$166.28 to \$209.01 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$218,018, for an estimated market value of \$654,119 or \$190.76 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$253,840. The subject's assessment reflects a market value of \$760,000 or \$221.64 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for DuPage County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .43 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick or frame exterior construction ranging in size from 2,969 to 3,706 square feet of living area. The dwellings were built from 2003 to 2009. Each dwelling has central air conditioning, a fireplace, a basement with two having finished area, and a garage ranging in size from 529 to 1,010 square feet of building area. The parcels range in size from 6,040 to 17,881 square feet of land area. The comparables sold in October 2018 and May 2019 for prices ranging from \$670,000 to \$850,000 or from \$221.96 to \$229.36 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that board of review comparable #3 should be given less weight due to its smaller dwelling and remote sale date.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the board of review's comparables #2 and #3 due to their remote sale dates for valuation as of January 1, 2020.

The Board finds the best evidence of market value to be appellant's comparable sales and board of review comparable sale #1, which are similar to the subject in age, dwelling size, location, and some features. These most similar comparables sold from April 2019 to October 2020 for prices

ranging from \$565,000 to \$740,000 or from \$166.28 to \$221.96 per square foot of living area, including land. The subject's assessment reflects a market value of \$760,000 or \$221.64 per square foot of living area, including land, which is within the range established by the best comparable sales in this record on a per-square-foot basis. While the subject's estimated market value is above the range overall, the Board finds this logical given the subject's finished basement. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
