

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alexis & Daniel Scheirer  
DOCKET NO.: 20-08110.001-R-1  
PARCEL NO.: 10-17-108-013

The parties of record before the Property Tax Appeal Board are Alexis & Daniel Scheirer, the appellants, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$45,320  
**IMPR.:** \$114,660  
**TOTAL:** \$159,980

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 2,835 square feet of living area.<sup>1</sup> The dwelling was constructed in 1999. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 713 square feet of building area. The property has a 11,340 square foot site and is located in Woodridge, Downers Grove Township, DuPage County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales located within .15 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick or brick and frame exterior construction ranging in size from 3,121 to 3,446

square feet of living area.<sup>2</sup> The homes were built in 1996 or 2005. Each dwelling has central air conditioning, a fireplace, a basement with one having finished area, and a garage ranging in size from 620 to 668 square feet of building area. The parcels range in size from 9,925 to 10,844 square feet of land area. The comparables sold from February 2019 to January 2020 for prices ranging from \$385,000 to \$503,000 or from \$123.36 to \$149.21 per square foot of living area, including land. Based on this evidence, the appellants requested a reduced assessment of \$137,924, for an estimated market value of \$413,813 or \$145.97 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,980. The subject's assessment reflects a market value of \$478,982 or \$168.95 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for DuPage County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .06 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame or frame and brick exterior construction ranging in size from 2,500 to 2,827 square feet of living area. The dwellings were built from 1995 to 1998. Each dwelling has central air conditioning, a basement with one having finished area, and a garage ranging in size from 724 to 899 square feet of building area. Two comparables each have a fireplace. The parcels contain either 11,339 or 11,348 square feet of land area. The comparables sold from October 2017 to December 2019 for prices ranging from \$461,500 to \$510,000 or from \$180.40 to \$188.21 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellants argued that board of review comparables #2 and #3 should be given less weight due to their remote sale dates.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellants' comparable #1 which appears to be an outlier due to its much lower sale price in relation to the other sales in the record. The Board also gives reduced weight to board of review comparables #2 and #3 due to their remote sale dates for valuation as of January 1, 2020.

<sup>2</sup> Details not reported by the appellants were drawn from the property record cards submitted by the board of review.

The Board finds the best evidence of market value to be the appellants' comparable sales #2 and #3 along with board of review comparable sale #1, which are similar to the subject in age, location, and some features. These most similar comparables sold from February to December 2019 for prices ranging from \$461,500 to \$503,000 or from \$145.97 to \$184.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$478,982 or \$168.95 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
