

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Hansen
DOCKET NO.: 20-08111.001-R-1
PARCEL NO.: 09-33-301-004

The parties of record before the Property Tax Appeal Board are Richard Hansen, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$62,180
IMPR.: \$79,770
TOTAL: \$141,950

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 2,825 square feet of living area.¹ The dwelling was constructed in 1970. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 506 square feet of building area. The property has a 17,236 square foot site and is located in Darien, Downers Grove Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .4 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story dwellings of brick exterior construction ranging in size from 2,416 to 2,623 square feet of living

¹ Details not reported by the appellant have been drawn from the subject's property record card submitted by the board of review.

area.² The homes were built from 1971 to 1977. Each dwelling has central air conditioning, one or two fireplaces, a basement with one having finished area, and a garage ranging in size from 552 to 611 square feet of building area. The parcels range in size from 13,050 to 18,651 square feet of land area. The comparables sold from November 2019 to April 2020 for prices ranging from \$332,499 to \$395,000 or from \$132.79 to \$163.49 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$138,203, for an estimated market value of \$414,650 or \$146.78 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,130. The subject's assessment reflects a market value of \$476,437 or \$168.65 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for DuPage County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales located within .35 of a mile of the subject, five of which are in the subject's assessment neighborhood. The comparables consist of one-story or two-story dwellings of frame, brick, or frame and brick exterior construction ranging in size from 2,356 to 3,220 square feet of living area. The dwellings were built from 1970 to 1994. Each dwelling has central air conditioning, one or two fireplaces, a basement with one having finished area, and a garage ranging in size from 440 to 888 square feet of building area. The parcels range in size from 14,040 to 18,763 square feet of land area. The comparables sold from March 2017 to July 2020 for prices ranging from \$510,000 to \$575,000 or from \$169.16 to \$216.47 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that the board of review's comparables should be given less weight due to differences from the subject in age, style, and/or remote sale date.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the board of review's comparables due to their dissimilar design in relation to the subject, and /or remote sale dates for valuation as of January 1, 2020.

² Details not reported by the appellant were drawn from the property record cards submitted by the board of review.

The Board finds the best evidence of market value to be the appellant's comparables, which are similar to the subject in age, dwelling size, design, and features. These most similar comparables sold from November 2019 to April 2020 for prices ranging from \$332,499 to \$395,000 or from \$132.79 to \$163.49 per square foot of living area, including land. The subject's assessment reflects a market value of \$476,437 or \$168.65 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
