

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jennifer N. Kilgore  
DOCKET NO.: 20-08130.001-R-1  
PARCEL NO.: 08-20-305-011

The parties of record before the Property Tax Appeal Board are Jennifer N. Kilgore, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$66,490  
**IMPR.:** \$84,110  
**TOTAL:** \$150,600

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a part 1-story and part 2-story dwelling of frame exterior construction<sup>1</sup> with 2,194 square feet of living area. The dwelling was constructed in 1976. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 484 square foot garage. The property has an approximately 11,768 square foot site and is located in Naperville, Lisle Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within 0.37 of a mile, and in the same neighborhood code as the subject. Four comparables have sites ranging in size from

9,691 to 13,070 square feet of land area<sup>2</sup>. The comparables are improved with part 1-story and part 2-story, 2-story or tri-level dwellings of frame exterior construction ranging in size from 2,104 to 2,449 square feet of living area that were built from 1976 to 1978. Each comparable is reported to have a basement four with finished area, one or two fireplaces and a garage ranging in size from 460 to 506 square feet of building area. Four comparables each have central air conditioning. The comparables sold from June 2019 to August 2020 for prices ranging from \$400,000 to \$461,000 or from \$172.27 to \$193.43 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$150,600. The subject's assessment reflects a market value of \$450,898 or \$205.51 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for DuPage County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within 0.24 of a mile, and in the same neighborhood code as the subject. The comparables have sites ranging in size from 10,038 to 22,332 square feet of land area. The comparables are improved with part 1-story part 2-story or 2-story dwellings of frame or brick and frame exterior construction ranging in size from 2,230 to 2,505 square feet of living area. The dwellings were built in either 1976 or 1977. Each comparable has a basement two with finished area, central air conditioning, one fireplace and a garage ranging in size from 441 to 552 square feet of building area. The comparables sold from June 2019 to June 2020 for prices ranging from \$469,900 to \$615,000 or from \$206.83 to \$245.51 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant critiqued that the board of review comparable #4 should be given less weight due to dissimilar dwelling size when compared to the subject.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #1, #3 and #4 along with the board of review comparables #3 and #4 due to their finished basement area and/or lack of central air conditioning when compared to the subject.

---

<sup>2</sup> The Board finds additional details regarding the comparables not reported by the appellant was found in the board of review's evidence.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #5 along with the board of review comparables #1 and #2. The Board finds these comparables are similar to the subject in location, design, age, dwelling size and some features. The comparables sold for prices ranging from \$410,000 to \$515,000 or from \$172.27 to \$210.72 per square foot of living area, including land. The subject's assessment reflects a market value of \$450,898 or \$205.51 per square foot of living area, including land, falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
