

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matthew A. Zander
DOCKET NO.: 20-08187.001-R-1
PARCEL NO.: 09-13-204-012

The parties of record before the Property Tax Appeal Board are Matthew A. Zander, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$121,310
IMPR.: \$175,950
TOTAL: \$297,260

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction¹ with 3,503 square feet of living area. The dwelling was constructed in 1996. Features of the home include a basement with finished area, central air conditioning, Two fireplaces and a 674 square foot garage. The property has a 12,000 square foot site and is located in Hinsdale, Downers Grove Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six comparable sales located within 0.54 of a mile, and in the same neighborhood code as the subject. The comparables are reported to have sites ranging in

size from 10,033 to 15,825 square feet of land area². The comparables are improved with 2-story dwellings of brick, frame or brick and frame exterior construction ranging in size from 2,924 to 4,068 square feet of living area that were built from 1987 to 1998. Each comparable is reported to have a basement, three with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 460 to 749 square feet of building area. The comparables sold from February 2019 to August 2020 for prices ranging from \$640,000 to \$886,000 or from \$209.19 to \$253.70 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$324,940. The subject's assessment reflects a market value of \$972,874 or \$277.73 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for DuPage County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review, through the township assessor submitted information on five comparable sales located within 0.48 of a mile, and in the same neighborhood code as the subject. The comparables have sites ranging in size from 10,650 to 21,000 square feet of land area. The comparables are improved with part 1-story part 2-story or 2-story dwellings of brick, frame or brick and frame exterior construction ranging in size from 2,956 to 3,711 square feet of living area. The dwellings were built from 1993 to 1999. Each comparable has a basement, one with finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 552 to 924 square feet of building area. The comparables sold from June 2017 to June 2020 for prices ranging from \$830,000 to \$1,400,000 or from \$280.78 to \$377.26 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that the board of review comparables should be given less weight due to dissimilar dwelling size and/or remote sale date when compared to the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains eleven suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #5 along with board of review comparable #1 due to their dissimilar dwelling sizes when compared to the subject. The Board has given less weight to the board of review comparables #2 through #5 for their remote sale dates occurring in

2017 and 2018, which is less proximate in time to the January 1, 2020 assessment date given other sales available in the record.

The Board finds the best evidence of market value to be the appellant's comparables #1 through #4 and #6. The Board finds these comparables sold proximate in time to the assessment date at issue and are more similar to the subject in location, design, age, dwelling size and some features. The comparables sold for prices ranging from \$762,500 to \$886,000 or from \$209.19 to \$253.70 per square foot of living area, including land. The subject's assessment reflects a market value of \$972,874 or \$277.73 per square foot of living area, including land, which is greater than the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is excessive. Therefore, based on this record the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
