

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Watt
DOCKET NO.: 20-08248.001-R-1
PARCEL NO.: 05-14-128-012

The parties of record before the Property Tax Appeal Board are Richard Watt, the appellant, by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,560
IMPR.: \$199,960
TOTAL: \$226,520

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,556 square feet of living area. The dwelling was constructed in 1927 and is approximately 93 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a garage containing 484 square feet of building area. The property has a 7,113 square foot site and is located in Glen Ellyn, Milton Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .33 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame or masonry exterior construction ranging in size from 2,092 to 2,737 square feet of living area. The homes are 52 to 93 years old. Each dwelling has a fireplace, a basement with finished area, and a garage ranging in size from 198 to 441 square feet of building area.

Two comparables have central air conditioning. The parcels range in size from 7,393 to 8,496 square feet of land area. The comparables sold from April to October 2020 for prices ranging from \$460,000 to \$570,000 or from \$198.96 to \$245.22 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$185,274, for an estimated market value of \$555,878 or \$217.48 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$226,520. The subject's assessment reflects a market value of \$678,204 or \$265.34 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for DuPage County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales located within .46 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame or frame and masonry exterior construction ranging in size from 2,156 to 2,597 square feet of living area. The dwellings were built from 1927 to 1979. Each dwelling has central air conditioning, one or two fireplaces, a basement with finished area, and a garage ranging in size from 264 to 576 square feet of building area. The parcels range in size from 7,260 to 9,274 square feet of land area. The comparables sold from March 2019 to April 2020 for prices ranging from \$590,000 to \$719,000 or from \$267.43 to \$293.63 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1 and #2 due to differences in age or dwelling size compared to the subject. The Board also gives reduced weight to board of review comparables #1, #3, #4, and #5 due to differences from the subject in age and/or dwelling size.

The Board finds the best evidence of market value to be appellant's comparable sale #3 and board of review comparable sales #2 and #6, which are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$460,000 to \$719,000 or from \$198.96 to \$293.53 per square foot of living area, including land. The subject's assessment reflects a market value of \$678,204 or \$265.34 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for

differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
