

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cynthia Ribando  
DOCKET NO.: 20-08374.001-R-1  
PARCEL NO.: 02-03-300-017

The parties of record before the Property Tax Appeal Board are Cynthia Ribando, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$28,370  
**IMPR.:** \$121,560  
**TOTAL:** \$149,930

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 2,942 square feet of living area. The dwelling was constructed in 1997. Features of the home include a basement, central air conditioning, a fireplace, and a 2-car garage. The property has an 11,490 square foot site and is located in Roselle, Bloomingdale Township, DuPage County.

The appellant contends assessment inequity with regard to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located from 1 mile to 1.4 miles from the subject property. The comparables are improved with 2-story homes of frame or mixed exterior construction ranging in size from 2,811 to 3,236 square feet of living area. The homes were built from 1971 to 1999. Each home has a basement, three of which have finished area, central air conditioning, a fireplace, and a 2-

car garage. The comparables have improvement assessments ranging from \$73,010 to \$99,700 or from \$23.22 to \$35.33 per square foot of living area.

Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$149,930. The subject property has an improvement assessment of \$121,560 or \$41.32 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables, together with a grid analysis of the appellant's comparables, property record cards for the board of review's comparables, and a map depicting the locations of the parties' comparables in relation to the subject. The board of review's comparables are located within the subject's neighborhood and are improved with 2-story homes of frame or mixed exterior construction ranging in size from 2,423 to 3,105 square feet of living area. The homes were built in 1997. Each home is reported to have a basement and a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$104,050 to \$131,950 or from \$40.98 to \$42.94 per square foot of living area.

Based on this evidence the board of review requested confirmation of the subject's improvement assessment.

In written rebuttal, the appellant contended that the board of review's comparables #1 and #3, located on the same street as the subject, support a reduction in the subject's improvement assessment. The appellant questioned whether the property record cards presented for the board of review's comparables contain all features and amenities of these properties.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables which are located one mile or more from the subject property. Moreover, the appellant's comparables #3 and #4 are significantly older homes than the subject dwelling. The Board also gives less weight to the board of review's comparable #3, which is a much smaller home than the subject dwelling.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1 and #2, which are more similar to the subject in dwelling size, age, location, and features.

These comparables have improvement assessments of \$104,060 and \$131,950 or \$40.98 and \$42.50 per square foot of living area, respectively. The subject's improvement assessment of \$121,560 or \$41.32 per square foot of living area is bracketed by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
