

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rupal Shah
DOCKET NO.: 20-08388.001-R-1
PARCEL NO.: 07-06-215-066

The parties of record before the Property Tax Appeal Board are Rupal Shah, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,830
IMPR.: \$49,970
TOTAL: \$66,800

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story condominium of frame exterior construction with 1,658 square feet of living area.¹ The dwelling was constructed in 2002. Features of the home include central air conditioning, a fireplace, and a garage containing 236 square feet of building area. The property is located in Aurora, Naperville Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .04 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story condominiums of frame exterior construction containing either 1,658 or 1,739 square feet of living area.² The homes were built in 2002 and each dwelling has central air conditioning and a

garage containing 236 square feet of building area. Four comparables each have a fireplace. The comparables sold from July 2019 to May 2020 for prices ranging from \$181,000 to \$202,000 or from \$104.08 to \$120.63 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$61,966, for an estimated market value of \$185,917 or \$112.13 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$67,770. The subject's assessment reflects a market value of \$202,904 or \$122.38 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for DuPage County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .38 of a mile of the subject and within the subject's assessment neighborhood. Comparables #1 and #2 are the same properties as appellant comparables #4 and #5, respectively. The comparables consist of one-story or two-story condominiums of frame or frame and brick exterior construction ranging in size from 1,614 to 1,739 square feet of living area. The dwellings were built in 2001 or 2002. Each dwelling has central air conditioning, a fireplace, and a garage containing either 236 or 462 square feet of building area. The comparables sold from July 2019 to May 2020 for prices ranging from \$200,000 to \$209,900 or from \$116.16 to \$130.11 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that board of review comparable #3 should be given less weight due to its dissimilar design in relation to the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board, with two comparables being common to the parties. The Board gives less weight to the board of review's comparable #3 due to its dissimilar two-story design when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparable sales and board of review comparable sales #1 and #2, including the common comparables, which are similar to the subject in age, dwelling size, location, and features. These most similar comparables sold for prices ranging from \$181,000 to \$202,000 or from \$104.08 to \$120.63 per square foot of living area, including land. The subject's assessment reflects a market value of \$202,904 or \$122.38 per square foot of living area, including land, which is above the range

established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
