

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Luciano Sisto
DOCKET NO.: 20-08389.001-R-1
PARCEL NO.: 07-11-205-027

The parties of record before the Property Tax Appeal Board are Luciano Sisto, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$87,380
IMPR.: \$120,050
TOTAL: \$207,430

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,942 square feet of living area.¹ The dwelling was constructed in 1975. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a garage containing 529 square feet of building area. The property has a 12,870 square foot site and is located in Naperville, Naperville Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales located within .6 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame or frame and brick exterior construction ranging in size from 2,746 to 3,057

square feet of living area.² The homes were built from 1971 to 1980. Each dwelling has central air conditioning, a fireplace, an unfinished basement, and a garage ranging in size from 441 to 823 square feet of building area. The parcels range in size from 10,296 to 17,368 square feet of land area. The comparables sold from April 2019 to October 2020 for prices ranging from \$395,000 to \$600,000 or from \$141.73 to \$208.91 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$173,211, for an estimated market value of \$519,685 or \$176.64 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$207,430. The subject's assessment reflects a market value of \$621,048 or \$211.10 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for DuPage County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales located within .59 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame and brick exterior construction ranging in size from 2,760 to 3,150 square feet of living area. The dwellings were built from 1967 to 1980. Each dwelling has central air conditioning, one or two fireplaces, a basement with three having finished area, and a garage ranging in size from 399 to 529 square feet of building area. The parcels range in size from 10,201 to 16,564 square feet of land area. The comparables sold from August 2017 to May 2020 for prices ranging from \$635,000 to \$785,000 or from \$208.88 to \$257.26 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that the board of review comparables should be given less weight due to differences from the subject in dwelling size, bathroom count, and/or having a remote sale date.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 15 comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the board of review's comparables #2, #4, and #5 due to their remote sale dates for valuation as of January 1, 2020.

The Board finds the best evidence of market value to be the appellant's comparable sales and board of review comparable sales #1, #3, and #6, which are similar to the subject in age,

dwelling size, location, and features. These most similar comparables sold from March 2019 to October 2020 for prices ranging from \$395,000 to \$785,000 or from \$141.73 to \$252.82 per square foot of living area, including land. The subject's assessment reflects a market value of \$621,048 or \$211.10 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
