

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Albert & Antonia Rossi
DOCKET NO.: 20-08390.001-R-1
PARCEL NO.: 07-06-215-072

The parties of record before the Property Tax Appeal Board are Albert & Antonia Rossi, the appellants, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,830
IMPR.: \$50,640
TOTAL: \$67,470

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story condominium of frame construction with 1,739 square feet of living area.¹ The dwelling was constructed in 2002. Features of the home include central air conditioning, a fireplace, and a garage containing 236 square feet of building area. The property is located in Aurora, Naperville Township, DuPage County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on four comparable sales located within .03 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story condominiums of frame exterior construction each containing 1,739 square feet of living area.²

¹ Details not reported by the appellants were drawn from the subject's property record card submitted by the board of review.

² Details not reported by the appellants were drawn from the property record cards submitted by the board of review.

The homes were built in 2002 and each dwelling has central air conditioning and a garage containing 236 square feet of building area. Three comparables each have a fireplace. The comparables sold from July 2019 to May 2020 for prices ranging from \$181,000 to \$202,000 or from \$104.08 to \$116.16 per square foot of living area, including land. Based on this evidence, the appellants requested a reduced assessment of \$64,494, for an estimated market value of \$193,501 or \$111.27 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,470. The subject's assessment reflects a market value of \$219,970 or \$126.49 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for DuPage County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .45 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story condominiums of frame or frame and brick exterior construction containing either 1,671 or 1,755 square feet of living area. The dwellings were built in 2001 or 2002. Each dwelling has central air conditioning, a fireplace, and a garage containing either 440 or 462 square feet of building area. The comparables sold from May 2017 to July 2019 for prices ranging from \$217,900 to \$225,000 or from \$125.36 to \$130.76 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellants argued that the board of review's comparables should be given less weight due to differences from the subject in design, garage size, and/or having a remote sale date.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the board of review's comparables due to their dissimilar two-story design compared to the subject. Additionally, board of review comparables #4 and #5 sold less proximately to the January 1, 2020 lien date at issue.

The Board finds the best evidence of market value to be the appellants' comparable sales, which are identical to the subject in age, dwelling size, and features. These most similar comparables sold from July 2019 to May 2020 for prices ranging from \$181,000 to \$202,000 or from \$104.08 to \$116.16 per square foot of living area, including land. The subject's assessment reflects a

market value of \$219,970 or \$126.49 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
