

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: April Mosier
DOCKET NO.: 20-20109.001-R-1
PARCEL NO.: 12-01-101-008-0000

The parties of record before the Property Tax Appeal Board are April Mosier, the appellant, by attorney William L. Saranow, of Saranow Law Group, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,599
IMPR.: \$27,750
TOTAL: \$36,349

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,632 square feet of living area. The dwelling is approximately 57 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 2-car garage. The property has an approximately 8,190 square foot site and is located in Park Ridge, Norwood Park Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located in the same neighborhood code as the subject property. The comparables are improved with 1-story dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 1,599 to 1,787 square feet of living area. The homes range in

age from 56 to 68 years old. Each comparable has a basement with three having finished area. Each dwelling has central air conditioning and from a 2-car to 3-car garage. Four homes each have one fireplace. The comparables have improvement assessments ranging from \$21,014 to \$27,252 or from \$12.53 to \$15.50 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$23,141 or \$14.18 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$37,095. The subject property has an improvement assessment of \$28,496 or \$17.46 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables are improved with 1-story class 2-03 dwellings of masonry or frame and masonry exterior construction ranging in size from 1,208 to 1,456 square feet of living area. The homes range in age from 50 to 61 years old. Each comparable has a basement with two having finished area. Each dwelling has central air conditioning and a 2-car garage. The comparables have improvement assessments ranging from \$23,485 to \$29,256 or from \$19.04 to \$21.09 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

In rebuttal, the appellant critiqued each of the board of review's comparable properties arguing they differ from the subject in exterior construction, dwelling size and basement finish.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #1, #2, #3 and #5 along with board of review comparables #1, #2 and #3 which are less similar to the subject in age, dwelling size and/or feature finished basement area unlike the subject's unfinished basement.

The Board finds the best evidence of assessment equity to be appellant comparable #4 and board of review comparable #4 which are more similar to the subject in location, age, design, dwelling size and most features. These two comparables have improvement assessments of \$27,252 and \$27,727 or \$15.25 and \$19.04 per square foot of living area. The subject's improvement assessment of \$28,496 or \$17.46 per square foot of living area falls above the two best comparables in this record on an overall improvement assessment basis and is bracketed by the two best comparables on a per square foot basis. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant demonstrated with

clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
