

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Larry Pearce
DOCKET NO.: 20-20172.001-R-1
PARCEL NO.: 16-18-415-024-0000

The parties of record before the Property Tax Appeal Board are Larry Pearce, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,961
IMPR.: \$29,682
TOTAL: \$34,643

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 1,460 square feet of living area. The dwelling is approximately 112 years old. Features of the home include a full unfinished basement and a 2.5-car garage.¹ The property has a 4,725 square foot site and is located in Oak Park, Oak Park Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject. The comparables

¹ The appellant indicated in Section III of the appeal petition that the subject dwelling has no central air conditioning, which is further supported by the evidence submitted by the board of review.

are class 2-05 properties improved with two-story² dwellings of frame exterior construction ranging in size from 1,712 to 2,173 square feet of living area. The dwellings are 108 to 122 years old. Each comparable has a full unfinished basement, central air conditioning and a 2-car garage. The comparables have improvement assessments that range from \$32,492 to \$34,769 or from \$16.00 to \$18.98 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$25,462 or \$17.44 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,643. The subject property has an improvement assessment of \$29,682 or \$20.33 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located on the same block as the subject or approximately ¼ of a mile from the subject property. The comparables are class 2-05 properties improved with two-story dwellings of frame exterior construction ranging in size from 1,200 to 1,332 square feet of living area. The dwellings are 97 to 110 years old. The comparables each have a full basement, one of which has finished area. Comparable #2 has central air conditioning and comparable #3 has a fireplace. Each comparable has a 2-car or a 2.5-car garage. The comparables have improvement assessments that range from \$28,989 to \$30,904 or from \$22.00 to \$24.37 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparables due to their larger dwelling sizes when compared to the subject and/or they have central air conditioning, not a feature of the subject. The Board has given reduced weight to board of review comparable #2 which has finished basement area and central air conditioning, unlike the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #3 and #4, which are overall more similar to the subject in location, dwelling size, design, age and some features. These three comparables have improvement assessments ranging from \$28,989 to \$30,525 or from \$22.00 to \$24.16 per square foot of living area. The subject's

improvement assessment of \$29,682 or \$20.33 per square foot of living area falls within the range established by the best comparables in the record in terms of total improvement assessment but below the comparables on a per square foot basis. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
