

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Louis Marchi
DOCKET NO.: 20-20199.001-R-1
PARCEL NO.: 16-07-327-005-0000

The parties of record before the Property Tax Appeal Board are Louis Marchi, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,345
IMPR.: \$40,893
TOTAL: \$47,238

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of stucco exterior construction with 2,304 square feet of living area. The dwelling is approximately 105 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 2-car garage. The property has a 5,640 square foot site and is located in Oak Park, Oak Park Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject. The comparables are class 2-06 properties improved with two-story¹ dwellings of stucco exterior construction

¹ The photographic evidence provided by the appellant depicts each comparable dwelling with a two-story design.

ranging in size from 2,836 to 4,345 square feet of living area. The dwellings are 102 to 142 years old. The comparables each have a basement, one of which has finished area. Each comparable has central air conditioning and either a 2-car, a 2.5-car or a 3.5-car garage. Three comparables each have one or two fireplaces. The comparables have improvement assessments that range from \$44,291 to \$57,937 or from \$12.85 to \$16.86 per square foot of living area.

Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$35,689 or \$15.49 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$47,238. The subject property has an improvement assessment of \$40,893 or \$17.75 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject, are located approximately ¼ of a mile from the subject property and two comparables are also on the same street as the subject. The comparables are class 2-06 properties improved with two-story dwellings of frame or stucco exterior construction ranging in size from 2,240 to 3,196 square feet of living area. The dwellings are 114 to 132 years old. The comparables each have a full unfinished basement. Comparable #1 has central air conditioning, three comparables each have a fireplace and each comparable has either a 2-car, a 2.5-car or a 3-car garage. The comparables have improvement assessments that range from \$40,992 to \$65,637 or from \$17.85 to \$20.54 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables, as well as board of review comparable #4 due to their larger dwelling sizes, when compared to the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #2 and #3, which are overall most similar to the subject in location, dwelling size and design. However, all three comparables are inferior to the subject in age and/or some features. Nevertheless, the comparables have improvement assessments that range from \$40,992 to \$46,641 or from \$17.85 to \$19.61 per square foot of living area. The subject's improvement assessment of \$40,893 or \$17.75 per square foot of living area falls below the range established

by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
