

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Carlson
DOCKET NO.: 20-20323.001-R-1
PARCEL NO.: 15-36-209-011-0000

The parties of record before the Property Tax Appeal Board are Joseph Carlson, the appellant, by Amy C. Floyd, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,554
IMPR.: \$26,083
TOTAL: \$37,637

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of stucco exterior construction with 1,500 square feet of living area. The dwelling is approximately 107 years old. Features of the home include an unfinished basement and a 1.5-car garage.¹ The property has a 13,205 square foot site and is located in Riverside, Riverside Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located in the same assessment neighborhood code as the subject. The comparables consist of 2-story dwellings of frame or stucco exterior construction ranging in size from 1,865 to 1,934 square feet of living area. The comparables range in age from 99 to 117

¹ The appellant reported in Section III of the appeal petition that the subject has 1-car garage whereas the board of review reported the subject has a 1.5-car garage which was not refuted by the appellant in rebuttal.

years old and have basements with one comparable having finished area. One comparable has central air conditioning and one fireplace. No garage data was provided by the appellant in the grid analysis with respect to the subject or the comparables. The comparables have improvement assessments ranging from \$25,957 to \$30,387 or from \$13.52 to \$15.74 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$23,205 or \$15.47 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$37,637. The subject property has an improvement assessment of \$26,083 or \$17.39 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located in the same assessment neighborhood code as the subject. The comparables consist of 2-story, class 2-05 dwellings of stucco exterior construction ranging in size from 1,440 to 1,618 square feet of living area. The comparables are from 96 to 99 years old and have unfinished basements. Two comparables each have central air conditioning, one comparable has one fireplace, and each comparable has either a 2-car, a 3-car or a 3.5-car garage. The comparables have improvement assessments ranging from \$27,821 to \$32,986 or from \$18.16 to \$21.51 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparables due to differences in their dwelling sizes and/or basement finish when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables which are most similar to the subject in location, exterior construction, age, dwelling size, and some features. These four comparables have improvement assessments that range from \$27,821 to \$32,986 or from \$18.16 to \$21.51 per square foot of living area. The subject's improvement assessment of \$26,083 or \$17.39 per square foot of living area falls below the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
