

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Greg Piecuch
DOCKET NO.: 20-20604.001-R-1
PARCEL NO.: 02-13-207-003-0000

The parties of record before the Property Tax Appeal Board are Greg Piecuch, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,480
IMPR.: \$24,176
TOTAL: \$31,656

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an owner-occupied two-story dwelling with 2,331 square feet of living area of frame and masonry construction. The dwelling was constructed in 1972. Features include a crawl space, central air conditioning, a fireplace, and a two-car garage. The property has an 14,960 square foot site and is located in Palatine, Palatine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. The appellant did not report the exact proximity of the comparables to the subject but disclosed that they had the same neighborhood code as the subject. The comparables were improved with single-family residences of frame and masonry construction. The improvements ranged: in age from 27 to 50 years old; in size from 2,584 to 3,641 square feet of living area; and in improvement assessment from \$9.66 to

\$9.83 per square foot of living area. Based on this evidence, the appellant requested an assessment of \$30,184.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,656. The subject property has an improvement assessment of \$24,176 or \$10.37 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables, either located on the subject's block or within a ¼-mile radius of its location. These comparables were improved with two-story single-family residences of either frame or frame and masonry construction. The improvements all contained 2,553 square feet of living area and ranged: in age from 52 to 54 years old; and in improvement assessment from \$10.66 to \$11.15 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *appellant comparable #2* and *board of review comparables*. These comparables were given greater weight due to their similar size relative to the subject. These comparables had improvement assessments that ranged from \$9.70 to \$11.15 per square foot of living area. The subject's improvement assessment of \$10.37 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
