

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John McCord  
DOCKET NO.: 20-20687.001-R-1  
PARCEL NO.: 02-22-307-038-0000

The parties of record before the Property Tax Appeal Board are John McCord, the appellant, by Amy C. Floyd, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,805  
**IMPR.:** \$20,499  
**TOTAL:** \$24,304

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,440 square feet of living area. The dwelling is approximately 50 years old. Features include a partial basement with finished area, central air conditioning and a 2-car garage. The property has a 10,872 square foot site and is located in Palatine, Palatine Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject. The comparables consist of class 2-34 multi-level dwellings of frame and masonry exterior construction ranging in size from 1,612 to 1,863 square feet of living area. The dwellings are from 43 to 60 years old. Each comparable has a partial basement with finished area, central air conditioning, and one or

two fireplaces. The appellant's exterior photographs show comparables #2 and #4 each have a garage. The comparables have improvement assessments ranging from \$17,172 to \$19,823 or from \$10.58 to \$12.22 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$15,322 or \$10.64 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$24,304. The subject property has an improvement assessment of \$20,499 or \$14.24 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, three of which are located in the same assessment neighborhood code as the subject. The comparables consist of class 2-34 multi-level or class 2-03 one-story dwellings of frame or frame and masonry exterior construction ranging in size from 1,285 to 1,495 square feet of living area. The dwellings are from 48 to 62 years old. Each comparable has a partial basement with finished area, and a 2-car garage. Three comparables each have central air conditioning, and two comparables each have one fireplace. The comparables have improvement assessments ranging from \$22,223 to \$23,271 or from \$15.06 to \$17.30 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board finds the best evidence of assessment equity to be the board of review comparables #1, #2 and #3. These comparables are overall more similar to the subject in location, design, age, dwelling size and most features, except one comparable lacks central air conditioning, a feature of the subject. These three comparables have improvement assessments ranging from \$22,223 to \$23,271 or from \$15.06 to \$16.09 per square foot of living area. The subject's improvement assessment of \$20,499 or \$14.24 per square foot of living area falls below the range established by the best comparables in this record. The Board has given less weight to the appellant's comparables due to their larger dwelling sizes when compared to the subject. The Board also gave less weight to the board of review comparable #3 due to differences in assessment neighborhood code, classification code and design when compared to the subject. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
