

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth Heim
DOCKET NO.: 20-20714.001-R-1
PARCEL NO.: 02-18-105-003-0000

The parties of record before the Property Tax Appeal Board are Kenneth Heim, the appellant, by Amy C. Floyd, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,451
IMPR.: \$40,244
TOTAL: \$47,695

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame exterior construction with 3,194 square feet of living area. The home is approximately 32 years old. Features include a full basement, central air conditioning, two fireplaces, and a 3-car garage. The property has a 37,257 square foot site and is located in Inverness, Palatine Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located in the subject's assessment neighborhood code. The comparables are improved with 1-story or "1.5-1.9"-story, class 2-04 dwellings of frame, masonry, or frame and masonry exterior construction ranging in size from 3,012 to 3,422 square feet of living area. The homes are either 40 or 42 years old. Three comparables each have a full or partial basement,

one of which has finished area, and one comparable has a concrete slab foundation. Each comparable has central air conditioning and one fireplace. The appellant did not disclose whether the comparables have garages although copies of photographs of the comparables submitted by the appellant depict at least one of the homes as having an attached or integral garage. The comparables have improvement assessments ranging from \$34,325 to \$42,917 or from \$11.07 to \$12.54 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$39,190 or \$12.27 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$50,341. The subject property has an improvement assessment of \$42,890 or \$13.43 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located in the subject's assessment neighborhood code. The comparables are improved with 1-story, class 2-04 dwellings of frame or masonry exterior construction ranging in size from 1,947 to 2,616 square feet of living area. The homes range in age from 37 to 40 years old. The comparables each have a full or partial basement, three of which have finished area. Each comparable has central air conditioning, either one or two fireplaces, and either a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$33,337 to \$44,792 or from \$15.20 to \$19.37 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board finds the best evidence of assessment equity to be the appellant's comparables #3 and #4 which are overall more similar to the subject in location, design, age, dwelling size, and other features. These two comparables have improvement assessments of \$40,359 and \$42,917 or \$12.44 and \$12.54 per square foot of living area, respectively. The subject's improvement assessment of \$42,890 or \$13.43 per square foot of living area falls above the two best comparables in this record and is excessive. The Board gives less weight to the appellant's comparables #1 and #2 as well as the board of review comparables due to differences in dwelling size, foundation type, and/or basement finish when compared to the subject. After considering appropriate adjustments to the two best comparables for differences from the subject, the Board finds the subject's improvement is not supported and a reduction is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
