

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Concord Commercial, LLC
DOCKET NO.: 20-20854.001-C-2 through 20-20854.002-C-2
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Concord Commercial, LLC, the appellant(s), by attorney Kevin Fanning, of Fanning Law, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
20-20854.001-C-2	11-32-331-037-0000	30,325	916,034	\$ 946,359
20-20854.002-C-2	11-32-331-039-0000	20,135	433,506	\$ 453,641

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2020. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of a one-story commercial building of masonry construction with 29,940 square feet of building area. The building is two years old. The property's site is 45,094 square feet, and it is located in Rogers Park Township, Cook County. The subject is classified as a class 5-17 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$5,600,000 as of January 1, 2020. The appellant also stated that the subject is assessed using a blended level of assessment of 21.784%. No evidence was submitted in support of this blended level of assessment. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$1,219,904.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$1,459,575. The subject’s assessment reflects a market value of \$5,838,300 when applying the 2020 statutory level of assessment for class 5 property of 25.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on five sale comparables from the CoStar Comps service. These sale comparables sold from October 2019 to November 2020 for \$4,573,361 to \$8,053,166, or \$93.54 to \$232.46 per square foot of building area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject’s assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject’s assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$5,600,000 as of the assessment date at issue. Therefore, based on this record, the Board finds the appellant has proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject’s assessment is warranted. The Board accords no weight to the appellant’s argument that the subject’s assessment should be calculated utilizing a blended level of assessment of 21.784%, as no evidence was submitted to show how this level of assessment was derived. Therefore, since market value has been established, the 2020 statutory level of assessment for class 5 property under the Cook County Real Property Assessment Classification Ordinance of 25.00% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
