

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jerry Reitman  
DOCKET NO.: 20-21645.001-R-1 through 20-21645.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Jerry Reitman, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
20-21645.001-R-1	14-31-121-015-0000	10,920	66,547	\$77,467
20-21645.002-R-1	14-31-121-016-0000	10,920	282	\$11,202

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, single-family dwelling of masonry construction with 1,970 square feet of living area. The building is 24 years old. Features of the home include a full basement utilized as a recreation room, air conditioning, one fireplace and a two-car garage. The property has a 2,400 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparable properties sold between May of 2017 and December of 2018. The comparable properties ranged: in price between \$815,000 to \$855,150; in living square footage between 1,839 to 1,944; and in sale

price per square foot between \$421.81 to \$444.93, including land. The appellant also submitted evidence that the subject was purchased in January 1995 for \$434,400. Based on this evidence, the appellant is requesting an assessment amount of \$86,018.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$88,669. The subject's assessment reflects a market value of \$886,690 or \$450.10 in market value per square foot of living area, including land, when applying the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four sale comparables. The comparable properties sold between September 2018 and October 2020. The comparable properties ranged: in sale price between \$810,000 and \$835,000; in living square footage between 1,722 and 1,944; and in sale price per square foot between \$421.81 and \$484.90, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be all of appellant's comparable sales and the board of review comparable sales #2, #3, and #4; with both parties utilizing PINs -029 and -034. These comparables sold for prices ranging from \$421.81 to \$463.92 per square foot of living area. The subject's assessment reflects a market value of \$450.10 per square foot of living area which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
