

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rajendra Garg
DOCKET NO.: 20-21724.001-R-1
PARCEL NO.: 22-35-305-004-0000

The parties of record before the Property Tax Appeal Board are Rajendra Garg, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,734
IMPR.: \$47,294
TOTAL: \$63,028

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 4,189 square feet of living area. The dwelling is approximately 34 years old. Features of the home include a full unfinished basement, central air conditioning, two fireplaces, and a 2.5-car garage. The property has a 78,673 square foot site and is located in Lemont, Lemont Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within a different assessment neighborhood code as the subject. The comparables have sites ranging in size from 13,859 to 52,576 square feet of land area and are improved with class 2-08 dwellings of masonry exterior construction that range in size from 4,140 to 4,553 square feet of living area. The homes are 15

to 27 years old and have full unfinished basements. Each comparable has central air conditioning, one or two fireplaces and a 3-car garage. The comparables sold from March to November 2018 for prices ranging from \$530,000 to \$620,000 or from \$128.02 to \$144.66 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$63,028. The subject's assessment reflects a market value of \$630,280 or \$150.46 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparables located within a different assessment neighborhood code as the subject. The comparables have sites ranging in size from 12,588 to 20,500 square feet of land area and are improved with class 2-08 2-story dwellings of frame and masonry or masonry exterior construction that range in size from 4,096 to 4,648 square feet of living area. The dwellings are 4 to 21 years old and have full or partial basements, two of which are finished with a recreation room. Each comparable has central air conditioning, one to three fireplaces and a 3-car garage. The comparables sold from February to October 2018 for prices ranging from \$650,000 to \$909,431 or \$158.69 to \$195.66 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparable sales for the Board's consideration. The Board finds neither party presented comparables that are truly similar to the subject due to differences in site size, age and/or features. For example, all the comparables have smaller site sizes and are newer dwellings, two of which also have finished basement area when compared to the subject. Furthermore, six of the seven comparables sold 14 to 22 months prior to the January 1, 2020 assessment date. Nevertheless, the Board gives less weight to board of review comparable #1 which is considered an outlier as it sold considerably higher than the other comparables in the record. The Board gives most weight to the six remaining comparables in the record. These comparables sold from March 2018 to November 2019 for prices ranging from \$590,000 to \$745,000 or from \$128.02 to \$161.88 per square foot of living area, including land. The subject's assessment reflects a market value of \$630,280 or \$150.46 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences such as site size, age and features when compared to the subject, the Board finds the appellant did not prove by a preponderance of the evidence that a reduction in the subject's assessment is justified based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
