

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William FitzSimons
DOCKET NO.: 20-22905.001-R-1 through 20-22905.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are William FitzSimons, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
20-22905.001-R-1	05-28-303-044-0000	12,810	50,165	\$62,975
20-22905.002-R-1	05-28-303-052-0000	7,686	0	\$7,686

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property has two PINs: PIN 05-28-303-044-0000 which includes an improvement and PIN 05-28-303-052-0000 which does not include an improvement. The appellant is only requesting a reduction under PIN 05-28-303-044-0000. This PIN consists of an 81-year-old, 1.5-story, single-family dwelling of frame construction with 2,540 square feet of living area. Features of the home include an unfinished partial basement, central air conditioning, and a two-car garage. The property has a 6,100 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. The appellant did not report the exact proximity of the comparables to the subject but disclosed neighborhood codes,

all of which are the same as the subject property. In support of the equity argument, the appellant submitted information on four suggested equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" erroneously disclosing the total assessment for PIN 05-28-303-044-0000 of \$74,059. The appellant submitted evidence, including a board of review "Assessed Valuations" document, disclosing the total assessment for PIN 05-28-303-044-0000 of \$67,393. The subject property has an improvement assessment of \$54,583 or \$21.49 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three suggested equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, #3, and #4. These comparables had improvement assessments that ranged from \$16.83 to \$20.35 per square foot of living area. The subject's improvement assessment of \$21.49 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
