

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wieslaw and Eva Ciesla
DOCKET NO.: 20-22912.001-R-1 through 20-22912.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Wieslaw and Eva Ciesla, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
20-22912.001-R-1	12-21-310-028-0000	2,015	4,849	\$6,864
20-22912.002-R-1	12-21-310-029-0000	2,015	4,849	\$6,864

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling of frame construction with 1,056 square feet of living area that covers two PINs. The building is 70 years old. Features of the home include a crawl space and a two-car garage. The property has a 3,100 square foot site and is located in Franklin Park, Leyden Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparable properties sold between January 2018 and November 2018. The comparable properties ranged: in price between \$185,000 to \$268,603; in living area square footage between 1,620 to 2,052; and in sale price per square foot between \$113.90 to \$130.90, including land. Based on this evidence, appellant requested a reduction in the subject's assessment to \$12,814.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for one PIN of the subject of \$7,529. The subject's assessment reflects a prorated market value of \$75,290 or \$71.30 in market value per square foot of living area, including land; or a total of \$142.60 per square foot of living area, when applying the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on three suggested sales comparables. All were improved with a two-story, single-family dwelling of either frame and masonry or masonry construction. The improvements ranged: in age from 66 to 108 years old; in size between 1,065 and 1,548 square feet of living area; and in sale price per square foot of \$420.66 to \$458.66, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be all of the appellant's comparables. These comparables sold for prices ranging from \$113.90 to \$130.90 per square foot of living area. The subject's assessment reflects a market value of \$142.60 per square foot of living area which is above the range established by the best comparable sales in this record. These comparables were given more weight due to their construction and/or location. The board of review's comparables were located in a different city than the subject property. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
