

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elias Friedman
DOCKET NO.: 20-23071.001-R-1
PARCEL NO.: 05-29-422-020-0000

The parties of record before the Property Tax Appeal Board are Elias Friedman, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,275
IMPR.: \$28,294
TOTAL: \$44,569

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,862 square feet of above grade living area that is approximately 62 years old. Features of the home include a partial basement with finished area, two fireplaces and a 2-car garage.¹ The property has an approximately 9,300 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located in the same assessment neighborhood code as the subject property. The

¹ The Board finds the subject property lacks central air conditioning as found in Section III of the appeal petition and the board of review's grid analysis.

comparables are improved with class 2-34 dwellings of frame and masonry exterior construction ranging in size from 2,004 to 2,501 square feet of above grade living area. The homes range in age from 56 to 72 years old. Each comparable has a partial basement with finished area, central air conditioning and a 2-car garage. Two homes have either one or two fireplaces. The comparables have improvement assessments ranging from \$26,048 to \$35,377 or from \$13.00 to \$14.15 per square foot of above grade living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$25,398 or \$13.64 per square foot of above grade living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$44,569. The subject property has an improvement assessment of \$28,294 or \$15.20 per square foot of above grade living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with multi-level class 2-34 dwellings of masonry or frame and masonry exterior construction ranging in size from 1,665 to 2,156 square feet of above grade living area. The homes range in age from 55 to 63 years old. Each comparable has a partial basement with finished area and a 1-car or a 2-car garage. Two dwellings each have central air conditioning and one fireplace. The comparables have improvement assessments ranging from \$30,257 to \$32,535 or from \$14.36 to \$19.54 per square foot of above grade living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #2 and #3 which are less similar to the subject in dwelling size than other properties in the record.

The Board finds the best evidence of assessment equity to be appellant comparable #1 along with the board of review's comparables which are more similar to the subject in location, age, design, dwelling size and some features. These comparables have improvement assessments ranging from \$26,048 to \$32,535 or from \$13.00 to \$19.54 per square foot of above grade living area. The subject's improvement assessment of \$28,294 or \$15.20 per square foot of above grade living area falls within the range established by the best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
