

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karen Austin
DOCKET NO.: 20-23146.001-R-1
PARCEL NO.: 08-11-202-025-0000

The parties of record before the Property Tax Appeal Board are Karen Austin, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,070
IMPR.: \$17,598
TOTAL: \$22,668

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 66-year-old, one-story, single-family dwelling of frame and masonry construction with 999 square feet of living area. The property has a 7,800 square foot site located in Mount Prospect, Elk Grove Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends assessment inequity as the basis of the appeal. In support of this argument, appellant submitted information on four suggested equity comparables. Each of the comparable properties were improved with a one-story residence of masonry or frame and masonry construction. The comparable properties ranged in living square footage between 973 and 999 and in assessment between \$15.51 and \$16.91 per square foot of living area. Appellant also submitted a copy of the board of review's February 22, 2021, decision reflecting a final total

assessment for the subject property of \$22,668. Based on this evidence, appellant requested a reduction in the subject's assessment not to exceed \$21,264.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property of \$22,668. The subject property has an improvement assessment of \$17,598, or \$17.62 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three suggested equity comparables. Each were improved with a one-story residence of masonry and frame construction and had between 837 and 865 square feet of living area. They ranged in assessment between \$17.97 and \$19.82 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparables #3 and #4 and the board of review's comparable #1*. These comparables were closest to the subject property in proximity and/or most similar to the subject property in living square footage. They had improvement assessments that ranged from \$16.55 to \$19.82 per square foot of living area. The subject's improvement assessment of \$17.62 per square foot of living area, falls within the range established by the best comparables in this record. Based on this record the Board finds appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
