

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eun Lee
DOCKET NO.: 20-23158.001-R-1
PARCEL NO.: 05-32-202-050-0000

The parties of record before the Property Tax Appeal Board are Eun Lee, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,887
IMPR.: \$28,672
TOTAL: \$39,559

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame and masonry exterior construction with 1,230 square feet of living area that is approximately 64 years old. Features of the home include a basement with finished area, 1-full bathroom, central air conditioning, one fireplace and a 1-car garage. The property has an approximately 8,710 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-03 dwellings of masonry or frame and masonry exterior construction ranging in size from 1,607 to 1,667 square feet of living area. The homes range in

age from 63 to 65 years old. Each comparable has a basement with finished area, 1-full bathroom, one or two half bathrooms, central air conditioning, one or two fireplaces and either a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$28,210 to \$31,646 or from \$17.55 to \$18.98 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$22,509 or \$18.30 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,559. The subject property has an improvement assessment of \$28,672 or \$23.31 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with a 1-story or a 1.5-story class 2-03 dwellings of masonry or frame and masonry exterior construction ranging in size from 1,140 to 1,240 square feet of living area that are either 63 or 64 years old. Each comparable has a basement, with two having finished area. Each dwelling has 1-full and 1-half bathrooms, central air conditioning and a 2-car or a 2.5-car garage. Two homes each have one fireplace. The comparables have improvement assessments ranging from \$28,428 to \$29,447 or from \$23.75 to \$24.94 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven equity comparables for the Board's consideration. The Board gives less weight to each of the appellant's comparables all of which are greater than 30% larger in dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables which are more similar to the subject in location, age, design, dwelling size and some features. However, each of these properties has an additional half bathroom and larger garage capacity when compared to the subject, while one comparable has an unfinished basement in contrast to the subject's finished basement, suggesting adjustments are needed to make these properties more equivalent to the subject. These comparables have improvement assessments ranging from \$28,428 to \$29,447 or from \$23.75 to \$24.94 per square foot of living area. The subject's improvement assessment of \$28,672 or \$23.31 per square foot of living area falls within the range established by the best comparables in this record on an overall improvement assessment basis and below the range on a per square foot basis. Therefore, after considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not

demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
