Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two property identification numbers (PINs) on a 236,139 square foot parcel of land. One PIN is improved with a 58-year-old, 2-story, frame and masonry, single-family dwelling, containing 4,566 square feet of living area. The property is located in Barrington Hills, Barrington Township, Cook County and is a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends overvaluation as the basis of the appeal. In support of its overvaluation argument, appellant submitted sales information on four comparable properties that sold between December of 2018 and February of 2020 for prices ranging from \$134.62 to \$159.21 per square foot of living area, including land. The comparable sales properties were single-family dwellings of either frame or frame and masonry construction and contained between 3,900 and 4,996 square feet of living area. Appellant also submitted a copy of the board of review's decision

letter reflecting its total assessed valuation for the subject property of \$72,193 for one PIN and \$4,508 for the other PIN. Based on this evidence, appellant requested a reduction in the subject property's total assessment to \$62,869 for one PIN and \$4,508 for the other PIN.

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation for the subject property of \$72,193, with an improvement assessment of \$48,580. The subject's assessment reflects a market value of \$721,930, or \$158.11 per square foot of living area, including land, when applying the level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted four comparable properties. Each of the comparable properties were improved with a 2-story, single-family dwelling of either frame or frame and masonry construction. They ranged in size between 4,145 and 4,894 square feet of living area and sold between October of 2018 and October of 2020 for prices ranging from \$176.69 and \$231.78 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds appellant *did not* meet this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of market value to be *appellant's sale comparable #4 the board of review's comparables #3 and #4*. These properties sold between July of 2020 and November of 2020 for prices ranging from \$159.21 to \$231.78 per square foot of living area, including land. They were most similar to the subject property in living area square feet and/or construction. The subject's current assessment of \$158.11 per square foot of living area (one PIN) or \$167.98 per square foot of living area (both PINS) reflect a market value below or within the market value established by the best comparables in this record. Based on this record, the Board finds appellant *has not* proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment *is not* warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
