

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 813-817 Crain Condominium Association
DOCKET NO.: 20-24167.001-R-1
PARCEL NO.: 11-19-104-056-1002

The parties of record before the Property Tax Appeal Board are 813-817 Crain Condominium Association, the appellant(s), by attorney Glenn Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,721
IMPR.: \$77,373
TOTAL: \$87,094

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an owner occupied 130-year-old residential condominium unit in a two-story building. The subject has 3,388 square feet of living area and features central air conditioning, two full bathrooms, and a two individual car spaces. The property is situated on an 8,680 square feet parcel of land in Evanston, Evanston Township, Cook County. It is a Class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$730,000 as of January 1, 2019. The appraisal developed one of the three traditional approaches to value: the sales approach. The appraisal indicated that a site visit was conducted on November 25, 2019. Additionally, the appraisal contained an addendum indicating that “the Fee Simple Market

Value of the subject property, expressly subject to the Assumptions and Limiting Conditions contained in this report,” as of January 1, 2019, is \$730,000.

Furthermore, the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 2019-220486.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the total assessment of the subject property to \$87,094 on the evidence submitted by the parties. The tax years 2019 and 2020 are within the same general assessment period and the appellant disclosed that the subject property is an owner-occupied residence.

The "Board of Review Notes on Appeal" disclosed the total assessment for the subject of \$87,094. The board of review did not stipulate to the 2019 Property Tax Appeal Board decision lowering the subject's total assessment.

Conclusion of Law

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2019 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, “Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence.” 5 ILCS 100/10-15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2019 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2019 and the instant tax year of 2020 are in the same general assessment period for Evanston Township. The Board further finds that the subject is owner-occupied based on the appellant's response to Section 1b of the residential appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's decision for the 2019 tax year, or that the Board's decision for the 2019 tax year was reversed or modified upon review. For these reasons, the Board finds by a preponderance of the evidence, that the subject's assessment should be carried forward to the 2020 tax year, pursuant to section

16-185 of the Property Tax Code, to reflect the Board's decision for the 2019¹ tax year, plus the application of an equalization factor, if any.

¹ The final CCBOR 2020 assessed valuation for the subject and the total assessment for 2019 as determined by the Board's decision were the same amount which results in a "No Change" in this appeal.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
